Wage Demands On Steel Fabricators Being Considered

C. I. O. Wage Policy Committee May Reach Decision At Sessions Today

MURRAY HOPES TO AVOID STRIKE CALLS

By NORMAN AGATHON
(U. S. Staff Correspondent)

PITTSBURGH, Dec. 19.—Final agreement of the general wage contract demands which will be made on the nation's steel fabricators in 1947 are expected to be reached today at the final meeting of the CIO-United Steelworkers wage policy committee.

CIO President Philip Murray, who also heads the steelworkers union, said no definite demands will be made before negotiations commence on January 15 with the basic steel industry.

As for the fabricators and steel dependent firms, Murray pointed out that the increase will depend on the ability of the individual companies to pay and the ability of the workers to obtain the necessities of life.

Some Special Consideration
It was indicated that special consideration will be given to the smaller manufacturers, who earlier this year were forced into an 18½ cent an hour wage increase when the steelworkers signed a general contract covering basic steel and steel using plants.

Murray, who earlier disclosed that 30-day-strike notices will be filed with the steel industry January 15, said next year's wage policy would affect approximately 560,000 workers almost immediately. Contracts for the fabricating industry, employing another 500,000 will begin terminating in February.

Hopes To Avert Strikes
The labor chief said was quick to add that filing of strike notices did not necessarily mean strike action. Murray said:

"The union hopes industry will grant higher wages without increasing prices and without the necessity of resorting to strikes.

"The steelworkers are aware of the fact that industry is receiving daily increases in production costs."

Earlier Murray said that the Nathan report showed industry can grant a 25 per cent wage boost without increasing prices.

He said that the USW will make

PA NEW OBSERVES

Numerous autos were seen heading for town early this morning with steam pouring from the radiators denoting that the sudden drop in the mercury had caught many of the motorists unprepared, with insufficient anti-freeze in the radiators to keep them from freezing.

Many outdoor community celebrations are in the offing for Christmas week, Pa. News is informed. Some of the celebrations which were in vogue previous to the war have not been resumed this year. Much caroling by various organizations is being planned.

Christmas holiday shopping swings into the final big week today. Many of the stores will be open for several successive nights, starting tonight, in order to accommodate shoppers.

Some Christmas decorations are beginning to appear on homes around the city. It is not indicated, however, that extensive use of decorations will be seen in many instances this season.

Pa. News notes that painters have been stenciling numbers on the standards of the parking meters on Washington street today. The numbers are running east from the Diamond consecutively, with the even numbers on the north side of the street.

Argo Queen For '47

POLLY COCHRAN

NEW WILMINGTON, Dec. 19.—Polly Cochran, senior psychology major from Aliquippa, has been named Westminister college Argonaut queen for 1947. The blue-eyed brunette, who is secretary of student council, plans to do personnel work after graduation. She is a member of Alpha Gamma Delta sorority.

Records at the city's bureau of building, City hall, show permits having been granted so far this year for the construction in the city of 84 new homes. The report of building operators for 1946, will be compiled by Neil Williams, clerk in charge of the building, after the closing of books at the end of the year.

Sixteen Young Skaters Stranded In Detroit

DETROIT, Dec. 19.—(INS)—Sixteen young skaters, who arrived in Detroit in the air of romantic glory lavished on the show-world by an admiring public, are stranded nearly 2,000 miles from home today—jobless and apparently without money.

They are the chorus line members of Sonia Henie's Ice Revue who stayed away from Tuesday night's performance at Detroit's Olympia stadium to enforce demands for a \$20 expense account increase.

Coal Operators To Meet Today

Will Discuss Question Of Resuming Wage Negotiations With U. M. W.

WASHINGTON, Dec. 19.—(INS)—Soft coal operators were scheduled to meet in Washington today to discuss the question of resuming wage negotiations with John L. Lewis' United Mine Workers.

The government stands ready to encourage a resumption of industry-union talks.

Federal Coal Mines administration officials, desirous of getting out of the coal business as quickly as possible, showed marked interest in today's pow-wow but denied responsibility for convening the conference. Any renewal of contract discussions between Lewis and the operators would be in line, however, with previous proposals of President Truman and Interior Secretary J. A. Krug.

Both Mr. Truman and Krug, operator of the mines since they were seized last May, urged such negotiations prior to the recent 17 day walkout by 400,000 soft coal miners.

TEN CHILDREN DIED IN CRASH

Eleven Others Remain In Critical Condition Following School Bus Accident

NEWBERRY, S. C., Dec. 19.—(INS)—Eleven children remained in critical condition today following a crash between their bus and a Southern Railway passenger train which killed 10 other children and the bus driver.

Four of the victims, who were at Newberry County hospital, were feared to be waging a losing battle against death.

Truck Overtakes On Harlansburg Pumps

*Considerable damage was caused at 2:45 p. m. Wednesday when an auto and a cabbage loaded truck crashed, causing the truck later to overturn, breaking two gasoline station pumps at the Pittsburgher Inn, located at the junction of Routes 19 and 108, Harlansburg, according to State police. No persons were injured. No gasoline escaped from the broken pumps.

According to reports, Garrett Fulmer, Jamestown, N. Y., drove a Plymouth coupe on Route 108 toward Slippery Rock. He stopped his auto at the Stop sign at the junction of Routes 108 and 19, it was said.

See Universal Army Training U. S. Necessity

WASHINGTON, Dec. 19.—(INS)—The stretched-thin disposition of United States army strength was regarded today by top army sources as a compelling argument for universal military training.

They declared in revealing plans for distribution of army strength on July 1, 1947, that "if we faced a crisis tomorrow our overseas forces would be over-run and destroyed."

These top sources maintained that only those in outlying Pacific bases could save themselves adding:

"In the United States there is neither force nor troops enough to prevent sabotage or repel any initial attack."

Urged Adoption
The officers urged adoption by the 80th congress on a program of universal military training as the only means of providing a pool of

Huge Elevator At Minneapolis Fire Destroyed

(BULLETIN)
MINNEAPOLIS, Dec. 19.—(INS)—The Union Grain Elevator, the world's largest and loaded with barley and corn, was destroyed early today by a spectacular fire in Minneapolis.

The flames, shooting 150 feet into the air, caused what fire department officials termed "one of the most costly conflagrations in the city's history". Preliminary estimates set the damage at approximately \$5,000,000.

The elevator was owned by the Fredrick Grain and Malt Co., of Milwaukee.

Almost the entire Minneapolis fire fighting force was called into action, and a number of St. Paul companies responded to repeated alarms.

Heavy Snow In Lake Erie Sector

Western Pennsylvania was in the grip of the coldest weather of the season with some districts reported overnight lows of six and eight degrees above zero.

United States Will Not Change China Policy

President Truman Restates U. S. Policy On China In Lengthy Statement

By JOHN S. REICHMANN
(U. S. Staff Correspondent)

WASHINGTON, Dec. 19.—(W)—Warring Chinese factions today were informed that the United States will not change its policy of aggressive neutrality in China.

A lengthy restatement of U. S. policy toward China by President Truman made clear that economic aid to China will be withheld until a unified government, including communists, has been formed.

But the presidential action also made clear that the United States does not intend to placate the communists by withdrawing Gen. George C. Marshall, Mr. Truman's ambassador.

The statement was said by Mr. Truman to be merely a reiteration of policy enunciated a year ago when Ambassador Patrick J. Hurley resigned denouncing state department handling of the Chinese situation.

Repeated Demands
Since then there have been repeated demands of many elements in the United States and abroad that the American government abandon the Chinese problem. Rumors have been circulating that Mar-

Truman Speeds Up Refugee Program

President Reveals Four Steamships Ordered To Proceed To Europe At Once

WASHINGTON, Dec. 19.—(INS)—President Truman took steps today to speed up transportation of accepted refugees and displaced persons from European ports to the United States.

The chief executive said that "mindful of the bleak Christmas ahead for the people who have already so much," he has ordered several ships into service to relieve the situation.

The president said that the four steamships, each having a capacity of 900, will be used until the situation is fully relieved.

Serious Situation
He said that a year ago he had issued a directive ordering the facilitation of immigration of refugees, but that lack of shipping had materially delayed adequate transportation.

Mr. Truman said that up to Oct. 21 only 4,767 had been given passage on vessels. He added that only 683 more would be brought in during the balance of the year.

The president said that "these delays have caused a serious situation among displaced persons who hold migration visas for the United States."

At Bremerhaven, Mr. Truman said, there are 2,100 persons, including 177 orphans, crowded into an embarkation center destined only for accommodation of transients.

REPORT FLIERS ARE STRANDED IN EVERGLADES

MIAMI, Fla., Dec. 19.—(INS)—A coast guard search plane and an army observation craft took off at dawn today to begin rescue attempts for two fliers reported stranded deep in the Florida Everglades.

The men were sighted last yesterday by an army pilot from Boca Raton Field as they stood beside their small grounded aircraft in a swampy spot too small for a take-off or landing.

Officers said the search craft will survey the location to determine whether crash or blimp equipment will be necessary to effect the rescue.

Foreign Food Policy Due For Raking Over

By FRANK B. ALLEN
(U. S. Staff Correspondent)

WASHINGTON, Dec. 19.—The nation's foreign food policy today faced a raking over in the new Congress.

Sen. Wherry (R) Neb., left for Nebraska preparing to write a stinging report to the Senate on what he saw of UNRRA food distribution in a peep behind the Russian occupation lines in Austria.

U. S. Must Be Judge
Mr. Wherry, chairman and international food delegate, declared that in the future United States "must be the judge" of what she provides.

Wherry said he will set forth in a detailed report a charge that the Russian army is taking locally-produced food for its own use.

Radio Stations Will Be Checked
F. C. C. Directs Reports Be Made On "Sustaining Programs Carried By Stations"

WASHINGTON, Dec. 19.—(INS)—Sharp regulations were expected today from the radio industry as the result of an FCC-ordered check-up on the amount of network sustaining programs carried by radio stations all over the country.

The commission's action was viewed by many broadcasters as a club held over their heads by the FCC to whom they must apply every three years for renewal of their licenses.

The FCC requested networks to disclose "stations carrying and failing to carry network sustaining programs" during the sample week November 17-23.

Report By January 31
A sustaining program, as defined by the FCC is one which is "neither paid for by a sponsor nor interrupted by a spot announcement."

Networks have until Jan. 31 to turn in their reports.

Justin Miller, president of the National Association of Broadcasters, maintains that the FCC has no authority to supervise program content and has recommended that the communications act of 1934 be amended to make this absolutely clear.

Speaking before the Florida Association of Broadcasters, Miller declared that by "subtle encroachments" the FCC is threatening free speech as guaranteed by the constitution of the United States.

The commission, on the other hand, maintains that it has a statutory responsibility for the public interest, which justifies its passing judgment on a station's performance.

Senator Assails Testimony Given By Former Aide

Asserts Former Secretary Is "Traitor" And Made Wild Untrue Statements

DECLARES ALL GIFTS CAME VOLUNTARILY (BULLETIN)

WASHINGTON, Dec. 19.—(INS)—Sen. Bilbo (D) Miss., today denied any wrong-doing in his relations with war contractors and accused his former secretary of "wild, hazy, vicious and traitorous hallucinations" against him.

In a 41-page prepared defense statement before the senate war investigating committee, Bilbo asserted that the evidence shows "conclusively" that everything given him as "given voluntarily and without any solicitation on my part."

The only exception, Bilbo declared, was money he borrowed to "make a property settlement with my ex-wife."

Bilbo testified that he permitted war contractors to improve his estate with a lake, swimming pool and house painting job "because it was good business."

Sen. Ferguson (R) Mich., interrupted Bilbo early in his statement to ask:

"Is it customary for a man to become indebted without solicitation on his part?"

Bilbo replied:

"I do not say it is. I'll say that in each instance that these gentlemen (Continued on Page Two)

Churchill Will Seek To Unseat Attlee's Regime

(BULLETIN)
LONDON, Dec. 19.—(INS)—Winston Churchill announced today he will attempt to unseat the Laborite government of Prime Minister Clement R. Attlee late next month.

The Conservative party leader and war-time premier gave notice to the House of Commons that when parliament reassembles late in January he would ask time for debate on a vote of censure of the Attlee regime.

Herbert Morrison, lord president of the council, asked Churchill upon what grounds he would base his motion.

Churchill replied that his charges would include "tyranny, conceit and incompetence."

Detroit Gas Works Is Fire Threatened

DETROIT, Dec. 19.—(INS)—The entire neighborhood surrounding the west side Detroit Michigan Consolidated Gas Works was reported threatened during the noon hour today by fire and explosion.

Firemen fought desperately to prevent fire in a blazing tank of gas from spreading to the company's huge natural gas storage tank only a few feet away. The tank contains 15 million cubic feet of gas.

The fire fighters ignored the warning that an explosion of the gas tank would have the effect of a heavy bomb and trailed their hose between the two tanks in an effort to avert the blast.

Court Orders Action Taken So That Records Will Be Preserved

OTHER NEWS OF COURT HOUSE

Following the recommendation of the Bar Association, Judges W. Walter Braham and Judge John G. Lamoree have handed down a court order, directing that the plat books in the office of the Register and Recorder be copied by a competent engineer and that photostatic copies be made.

The plat books which are the record of your property and that of everyone else in the county are used constantly and over the years have become worn. The attorneys feared that some of them might be rendered useless and asked that they be copied and put into good shape. This will be done.

ONE SENTENCE

William D. Wilkour, who pleaded to indict exposure was sentenced to pay a fine of \$100 and costs and undergo six months in the county jail, on Wednesday. Judge Braham suspended the jail sentence if the fine and costs are paid and the man behaves himself.

ASKS NEW TRIAL

William C. Wilson, convicted of a morals offense has asked for a new trial upon the grounds that the verdict was against the weight of the evidence and the court erred in the general charge.

EQUITY SUIT

Before Judge John G. Lamoree Wednesday, the equity suit brought by Carrie B. Griner against Ella Mae Griner Markley and Leroy Markley was heard. The suit is one in which it is charged that the defendant recorded a deed to property owned by the plaintiff but decided to her daughter, in violation of an agreement made to hold the deed until after the death of the plaintiff.

available supplies in Austria and that UNRRA is replacing those supplies in order to feed the civilian population.

The Nebraska senator also will charge, he said, that the Russians use the UNRRA food to reward those who need—as factory workers and as friends of Communism. He said:

"Old and disabled people can't get relief foods under Russian distribution. They go to people useful to Russia, as determined by a Soviet-appointed burgo-master on a basis of collaboration."

"There is no UNRRA inspection. I was told that an American inspector visited the area, at Wiener-Neustadt, about a year ago."

Wherry—who got only a few miles into the Soviet occupation zone, said he saw no livestock or tractors—what have been supplied to food-short areas. Wherry said:

"I saw no cows, no horses and no tractors."

"They got further behind the iron curtain."

Thomas, also expected to report to the Senate on the world food parity, is equally critical of UNRRA. He said:

"We must be the judge of what we provide and not let others tell us what we are to supply."

"American goods should be distributed bearing American labels. Recipients whom we are feeding in some foreign countries have no idea that we are furnishing their food."

Governments Profited

Thomas and Wherry both said that foreign relief should be continued, but under American direction. Thomas said:

"I don't think UNRRA has been very successful."

"Governments have profited by our liberality."

"I am not sure the needy peoples have benefited as we intended."

The Oklahoma senator said that through UNRRA food supplies are furnished governments, which distribute them after American labels are removed.

"Continuance of the food program 'if we are to maintain the world leadership into which we stepped,' Thomas said:

"Americans are wasting enough food to feed at least one or more foreign countries."

Deaths of the Day

Lewis Williams

Lewis Williams, 75 years, of 1235 South Mill street, died in the New Castle hospital, Wednesday at 6:23 p. m., following an illness of five months complications.

Mr. Williams was born in Aberdare, Glamorgan county, Wales, November 10, 1871, son of Lewis and Mary Davis Williams. For fifty years he had been married to Mrs. Mae Williams, who survives. He was a city employee and a member of the First Congregational church.

In addition to his wife he leaves the following children: David, of California; Elmer, of Colorado; Mrs. Etta Ream, of Trenton, N. J.; and Jane at home; and brothers and sisters, David Williams of San Bonita, Texas; and Mrs. Ann Davis, of Cinderford, Gloucestershire, England; and ten grandchildren.

Funeral services will be Saturday at 2:30 p. m., in the John R. Bigler funeral home, 1135 South Mill street; Rev. Thomas J. Jones in charge. Interment will be in Oak Park cemetery.

Friends may call at the funeral home, tonight 7 to 9 o'clock, and Friday, 2 to 4 and 7 to 9 o'clock.

Scientists Plan To Make Ascent Of Twenty Miles

Methodical Recordings Of Cosmic Showers Planned In Near Future

INYO KERN, Cal., Dec. 19.—(INS)—American scientists, probing cosmic ray secrets from heights of nearly eight miles, were planning today to climb even higher—to a "sky-side seat" for Mother Nature's "Sunday punch."

In the very near future methodical recordings of cosmic showers will be taken by the soaring physicists almost 20 miles above sea level.

Some time after that, rocket flights of more than 100 miles into space, for a still closer view of the mighty cosmic spectacle, are contemplated.

One of the top men of the present project, Dr. Carl D. Anderson, disclosed that cosmic ray measurements already have been taken at 100-mile level by instruments installed in the warheads of the German V-2 rockets shot up from the New Mexico desert.

The scientists plan to go up higher than has ever before risen was revealed by Col. Robert C. Walton, USMC. He represents the navy's bureau of research in the joint navy-air upper stratosphere program—the project that seeks to wrest from cosmic radiation its unmatched atomic power.

SENATOR ASSAILS TESTIMONY GIVEN BY FORMER AIDE

(Continued from Page One)

did work for me, they actually saved me money. I did not have to accept their offers. I did because it was good business."

Bilbo said the evidence against him had shown only that:

"I am a very poor man and heavily involved in debt and that I received during all the periods that the investigation has covered but two Christmas gifts, one an automobile and the other living room furniture consisting of a sofa, three floor lamps and two table lamps."

Bilbo directed his major accusation against Edward P. Terry, his former secretary whom the committee moved to cite for contempt and perjury after a stormy session yesterday. The senator said in his statement:

"Christ had His Judas Iscariot; Caesar had His Brutus; George Washington had His Benedict Arnold, but I claim to have had the greatest traitor of them all in my trusted secretary."

Bilbo asked that he be allowed to read his statement without interruption and answer questions later. But Sen. Ferguson (R) Mich. and Sen. Mead (D) N. Y., insisted that Bilbo submit to interruptions as he proceeded with the statement.

After the committee's insistence Bilbo said:

"I shall be pleased to comply with the wishes of the committee."

Bilbo said "false charges" were leveled against him by Ross Collins, whom he defeated in this year's senatorial primary and by Terry.

"Living Statements"

He termed Terry's testimony "wild and reckless, lying statements" as he indignantly denied the story that he received \$1,500 to get a prescription for a permit from the federal narcotics bureau for a dope addict.

Of that testimony Bilbo declared: "It is a lie out of whole cloth and I want the world to know it."

Hitting hard at Terry, who testified bilgingly against his former employer, Bilbo said his erstwhile secretary had been free with "traitorous half-truths."

At the same time he charged that two pressure groups have been behind the campaign against him.

One, he said, is an all-negro group and the other is composed of "communist party members and quite a few other people identified with communist front activities."

Charges Communist Move

Effects of Bilbo recent mouth surgery were evident as he testified with a microphone before him. It was apparent that he was having difficulty framing his words, and at times they came haltingly.

Bilbo declared that the communist groups "are behind the now famous 'out Bilbo' organization."

He denied specifically the complaint to the campaign investigation committee that he had violated his oath as a senator by inciting violence against negroes in Mississippi. He said:

"Those groups know I am not guilty. They know I did not do any more than Perry Howard, the negro national committeeman of the Republican party from Mississippi."

Gift Of Car

Bilbo said the gift of the Cadillac car he received from Mike T. Morrissey on Christmas 1941, was "just an old southern custom." Mississippi officials always get cars and other gifts, he declared.

On the specific charges that he aided war contractors in obtaining government contracts, Bilbo asserted:

"To this charge I plead guilty and if I am condemned for being loyal to the constituents that it is my happy privilege to represent them by the same token, every worthwhile senator and member of the house must likewise bear the burden of such condemnation."

Bilbo said he had done "no more than has been done by practically all of my colleagues in the senate and by nearly every member of the house... in urging consideration of constituents."

Concerning testimony that he caused transfer of the Jackson air base project from the Mobile to the Vicksburg engineering district, Bilbo asserted:

"I suppose I did."

Army witnesses, he said, testified that it was for the government's "best interest."

of Variety Artists, abandoned them with the charge that their "stay-out" was a "wildcat strike."

Subsequently, the general manager of the Henle troupe, William Burke, fired them.

Sensation Backstage

Their absence from the chorus created a mild sensation backstage at the Olympia when featured performers were called on to fill in where possible.

Henle's leading man found himself the fore-part of a horse in one act.

The "stay-outs", most of whom live in California, threaten to set up a picket line outside of the Olympia tonight, despite the refusal of their union to support them.

They are apparently without funds for transport home.

In the meantime, Michigan's national AGVA representative, Bill Grubbs, says the skaters can appeal their suspension to the national board in New York.

World Currency Exchange To Start Early Next Year

International Monetary Fund Prepares To Begin Currency Exchange Action March 1

WASHINGTON, Dec. 19.—(INS)—The International Monetary Fund prepared today to begin world currency exchange transactions next March 1 in spite of requests by seven of the 39 members for more time to determine their par values.

Camille Gutt, managing director of the fund, announced that approval has been granted 32 nations to use their existing rates as par.

However, Brazil, China, Dominican Republic, Greece, Uruguay, Yugoslavia and Poland have asked for time extensions because of internal difficulties or because present exchange values were deemed unsatisfactory.

Some Par Values Withheld

Examples of rates at which currencies will be bought and sold are: French franc 84 hundredths of a cent; British pound \$4.63; Canadian dollar \$1.00; Cuban peso \$1.00; Dutch guilder 37 cents; Mexican peso 20 cents; Belgian franc two cents; and Danish krone 20 cents.

Gutt admitted that "the fund can't do anything about black market currency exchanges." He said, however, that illegal money transactions will disappear as the market "reaches its own level."

He pointed out that members are pledged to promote economic stability but added that the fund does not "guarantee existing exchange rates." Many rates will be changed gradually, he said, in step with postwar readjustments.

Cold Sufferers Promised Relief

New Drug Invented To Prevent Coughs Due To Colds, Lipstick Size

PHILADELPHIA, Dec. 19.—(INS)—Here's good news for the eight million Americans who suffer daily from coughs due to colds.

Dr. Louis F. Silcox told the Philadelphia chapter of the College of Physicians of the development of a new drug which has proved effective in 77 per cent of tests conducted on persons suffering from cold coughs.

The drug—Alpha-Methylsophenylamine—is similar to codeine in its effect, he pointed out, but is not a narcotic.

Dr. Silcox said the drug, developed by the Smith, Kline and French laboratories, is inhaled from a lipstick size container.

The president recited carefully the steps taken in the past year in relation to China. His statement pointed out the financial aid given to restore China's economy and transportation assistance to the national government in ridding China of Japanese and Marshall's efforts to bring about a truce.

Mr. Truman also made clear that the \$500 millions of export-import bank credits earmarked for China will be held up pending a working out of a system of internal peace and unity.

In addition it reported that almost three million Japanese have been repatriated from China in the face of bad transportation and that the number of U. S. troops there has been reduced to 12,000.

substantial wage demands on the industry but disclaimed that no actual dollars and cents demands had been made. However, labor leaders said they believed the steelworkers will follow the wage pattern laid down by the automobile workers union. They demanded a 23.5 per cent wage hike.

More Than 15 Demands

Murray revealed that more than 15 demands, including old age insurance health, hospitalization and other forms of group insurance paid for solely by the steel companies, had been approved by the wage policy committee.

High on the list of "must demands" was a minimum wage for white collar workers to be set at a common laborers rate of 96.5 an hour.

Among other demands are portable-to-portable pay, an annual guarantee wage, a union shop, rate protection on jobs, improved vacations, seniority, holiday pay, full protection for returning military personnel and elimination of wage differentials based on geographic locations.

TRINITY JUNIOR GUILD PROGRAM

Trinity Junior guild gathered on
Wednesday evening in the guild
room of Trinity Episcopal church
for a Christmas party and short
monthly business meeting. Hos-
tesses were Mrs. Franklin A. Clay,
Mrs. Martha McNally and Mrs.
Walter Kleier.
Carol singing preceded a short
business session at which Mrs. Dud-
ley Arnold presided and during
which it was voted to undertake
the purchase of new furniture for
the guild room during the coming
year. A short devotional period in
keeping with the Christmas season
followed. Afterwards the group was
entertained with recordings of "The
Little Angel" played by Miss
Margaret McCracken.
Six tables of bridge and several
of games were in play later with
prize for bridge going to Mrs. Har-
low Clark and for games to Mrs.
Mary Gerlach. A lunch was served
by candlelight from tables prettily
decorated in holly, pine and red
and white candles. Gifts were dis-
tributed from beneath a lighted
Christmas tree.

WALMO KENSINGTON HOLIDAY LUNCHEON

Walmo Kensington members were
guests of Mrs. John B. Norris, Or-
chard Way, Walmo, Wednesday,
for a 1 o'clock luncheon served at a
round table decorated in keeping
with the season. Afternoon hours
were spent informally with sewing
as the diversion and a gift ex-
change.

Miss Eva Bratton was a special
guest.
Next meeting will be January 15
at the home of Mrs. Frank Patter-
son, Buena Vista Way.

RE-DELTA DECK CLUB YULE DINNER-BRIDGE

Re-Delta-Deck club members met
Tuesday evening in the Elks dining
room for their Christmas dinner
and exchange of gifts. Afterward-
tables of contract bridge were in
play with prizes going to Miss Laimi
Neimi and Mrs. Charles R. Sutter.
Mrs. Terrence L. May was a special
guest.

GUILD DEDICATES McILVAINE NURSERY

At a program and reception in
the First Presbyterian church on
Wednesday evening for members of
the church and friends, the McIl-
vaire guild of the church formally
dedicated the newly furnished and
redecorated McIlvaire nursery to
the memory of Rev. John Jamison
McIlvaire D. D. The nursery is a
symphony in soft pastels, well sup-
plied with toys, and charming in
every detail, was open for inspection
by those who attended.
At 8 o'clock in the church audi-
torium the a cappella choir under
the direction of Robert A. Duff
presented a varied program of music
dedicated to the late Dr. McIlvaire.
Mrs. Samuel W. Perry Jr., president
of McIlvaire guild, presided.
The choir's first group of selec-
tions included "Celestial Voices,"
"The Lord's Prayer" with Josephine
Mancillo as soloist, "Going Home"
with Caroline Cox at the piano,
and "Shadow March" sung by the
quartet, Bill Book, Harvey Bush,
Don Bailey and Bill Stoner. Its sec-
ond group was one of Christmas
music and included the delightful
Waring arrangement of "Twas the
Night Before Christmas" with Caro-
line Cox and Lois Baum at the
piano.

Mrs. Marshall G. Matheny, presi-
dent of McIlvaire guild when the
nursery project originated, gave the
message of dedication and the nur-
sery was accepted on behalf of
the trustees and congregation by
James A. Rugh, Dr. R. E. Gal-
breath pronounced the benediction.
Tea was served in the church
parlors after the program with
Mrs. J. J. McIlvaire and Mrs. R.
P. Galbreath pouring at a table
decorated in white, silver, and
crystal and centered with a bowl
of white mums and euphorbia.

Guests were Mrs. James R. Green, Mrs.
Oscar Rife, Mrs. T. J. Love, Mrs. R.
W. Reagle, Mrs. Robert McIlvaire, Mrs.
Kerwin Matheny, Mrs. Paul H. Wilson
and Mrs. James B. Foster Jr.
McIlvaire guild committee in charge of
the nursery was Mrs. A. D.
Patterson, Mrs. Homer Allen, Mrs. Edwin
Foss, Mrs. L. Paul Friend, Mrs. William
Y. Gibson, Mrs. Marshall G. Matheny,
Mrs. Kenneth McIlvaire, Mrs. Edward R.
Snyder, Mrs. Paul H. Wilson.
In charge of the tea table were
John P. Byers, Mr. Charles W. Schuch,
and Mrs. Harry E. Lamm Jr. Tea com-
mittee was Mrs. L. Paul Friend, Mrs. Robert
E. Gordon, Mrs. William Y. Gibson, Mr.
William Goodpastor, and Mrs. Arthur Guy.

DECEMBER 28 DATE SET FOR WEDDING

December 28 has been chosen as
the date for the coming marriage of
Miss Margaret Oles, of Coraopolis,
daughter of Edward L. Oles, of Mil-
ami, Fla., and the late Mrs. Oles,
to Ralph Warren Gray, son of Mr.
and Mrs. Charles D. Gray, of 720
Court street, this city.

The wedding will take place in the
Coraopolis Methodist church with
Rev. A. Culmer Schultz officiating.
Miss Oles has chosen as her only
attendant her sister, Mrs. Esther
Kerwin, and Mr. Gray has asked his
father to be his best man, Frederick
Kerwin, nephew of the bride-elect,
and Jack Isenman will be ushers.

The bride-elect was honored re-
cently at a luncheon and kitchen
shower given by Mrs. Clarence
Adams at her home at Baldwin
Manor, Pittsburgh, and at a bridge
shower given by Mrs. William
Rudge of Coraopolis Heights.

This evening Mrs. A. S. Welsh
and Miss Mary Louise Welsh, of
Coraopolis Heights, will entertain at
a dinner in her honor. On Janu-
ary 11 Mrs. William A. Moore, of
Craffon, will entertain at a lunch-
eon.

versary of Margare Copeland Mis-
sionary society of Third U. P.
church, the organization met in the
church dining room Wednesday
evening for a tureen dinner at 6:30
p. m.

Approximately 50 covers were
laid at a table decorated with
Christmas colors centered with a
large birthday cake with 25 candles.
During the dinner each past presi-
dent lighted candles representing
years of service.

As a special feature on the pro-
gram, Mrs. Margaret Copeland fac-
tored the assembly with a very
interesting and inspiring address.
Mrs. Florence Orr read the Christ-
mas story from Luke with prayer
by Mrs. Jessie Nolan. History of
the missionary society was given
by Mrs. Edna Lutz. On the pro-
gram also were Mrs. Thomas Mc-
Nicholas, singing a solo, "Christmas
Rose," a piano solo by Dona Jean
Sherman, and duet by Mrs. Zevie
Sherman and Mrs. Margaret Book.
Each charter member present was
presented with a beautiful corsage
from the organization, and the pro-
gram closed with prayer.

Tired Kidneys Often Bring Sleepless Nights

Doctors say your kidneys contain 10 miles
of tiny tubes or filters which help to purify the
blood and keep you healthy. When they get
tired and don't work right in the daytime,
many people have to get up nights. Frequent
urinary passages with a burning and burning
sensation show there is something wrong
with your kidneys or bladder. Don't neglect
this condition and lose valuable, restful sleep.
When disorder of kidney function permits
poisonous matter to remain in your blood, it
may also cause nagging headache, rheumatic
swelling, painless under the eyes, headache,
and dizziness.
Don't Ask your druggist for Doan's
Pills, a stimulant diuretic, used successfully
for millions for over 40 years. Doan's gives
rapid relief and will help the 15 miles of
kidney tubes flush out poisonous waste from
your blood. Get Doan's Pills.

Christmas—Then And Now

Emma, with your long hair—keep away from that Christmas tree! And Emma, of the long curls and last summer's fluffy dress, stood back for once, while a helpful male lighted the candles of the Christmas tree.

Yesterday's Christmas was a personal and not a civic affair. It didn't mean a Santa Claus parade, or a Community Christmas tree or a dozen different Santas in the stores. Christmas was an all-embracing family occasion and a warm home was the stage where each assumed his favorite role.

Mamma fixed the turkey. Papa hitched Duke to the "buggy" and went into the country with the boys for mislato. Aunts made candy openly, and doll clothes secretly, while Uncles worked late in tool sheds. But unfortunately there was often an unhappy aftermath to the gaiety of the holiday time. Those lovely little candles among green fir branches always caused damage in someone's home. Between Christmas and New Year's the local papers carried the stories. And it wasn't always just the hand-made Battenburg curtains in the parlor which went up in flames.

Even with the electric Christmas tree lights of today, many fire hazards must be recognized during the holidays. Many more persons smoke than in earlier days. Gorgeous cellophane and tissue paper wrappings are unbelievably inflammable. Fireplaces and wastebaskets quickly fill with the residue of the holidays—papers, cigarette stubs, string, and dried bits of pine or holly. So, be careful this Christmas time. The old danger of candles is largely over but new fire dangers can make the Holiday Season a time of tragedy.

The Atom's Bosses

On January 1 the new civilian Atomic Energy commission will take over from the Army the vast atomic energy industry for the manufacture of bombs and other by-products. They will have an unruly giant on their hands and there are no rules or precedents to guide them in deciding how it is to be handled for the benefit of the nation.

The group which is scheduled to take over the Army's tremendous Manhattan Project "essentially intact" is still little more than a body of five members, headed by Chairman David E. Lilienthal, with a little borrowed help. For many months to come these appointees will be compelled to rely heavily on the scientists and military men who have run the project up to now. They will have to feel their way across an uncharted field and it will probably be many months before any major policy decisions can be expected.

One decision which it will be necessary for this group to make soon is selection of a general manager to run the whole atomic enterprise. Congress made this a \$15,000 a year job and this salary is in line with usual compensation for federal offices. But, considering the magnitude of the post and the weight of responsibility which goes with it, the remuneration seems low.

A general manager for a private corporation of comparable size could expect many times the amount of compensation that is offered. Perhaps Mr. Truman may be able to find a man capable of filling the post who will be willing to accept it even though it involves a heavy financial sacrifice.

A Tariff Echo

We haven't heard much about the protective tariff in the United States during the past few years. For several national and Congressional elections it has not been an issue.

The reason, of course, is obvious. All of the normal conditions concerning exports and imports were destroyed by the World War. The complaint now is not by American producers that we are importing too much. The complaint rather comes from the consumers, who say that we are shipping too many of our products abroad.

As an example, twenty-one trade associations recently called on Secretary of Agriculture Anderson to halt the delivery of United States sources-of-supply sugar to other countries. While sugar is scarce here, there is complaint that too much sugar is coming into the United States to be refined, later to be reshipped to Great Britain. The complaint about American food, clothing and equipment appearing in foreign markets while in short supply here have been numerous.

Yet there are indications that the question of tariffs may be revived when production becomes normal in foreign countries, and this despite the prodigious efforts of the New Dealers to make the country believe we can only become prosperous by buying abroad and shipping our own produce abroad.

One report comes from our Western States that a movement is already under way to prevent further tariff cuts in wool. Organizations of wool growers in the United States are preparing to resist with every effort reported attempts by our government to reduce the tariff on imported wool. It is said that production of wools and wool has declined as much as 40 per cent in many of our important wool-growing states. The decline in state incomes from which income taxes were gathered has resulted in higher tax rates in other categories and has reduced appropriations for essential public works. It is said, while wool consumption has increased in America, our rank as a wool-producing nation has sunk from second to fourth. Protection will be asked not only against the importation of raw wool but of wool textiles.

Although the Republicans have generally been regarded as the protectionist party, one of the leaders in the present move against lower wool tariffs is Democratic Senator Joseph C. O'Mahoney, of Wyoming.

Our little boy says that his arithmetic lessons are about as hard to understand as a tobacco auctioneer on the radio.

WASHINGTON CALLING

by MARQUIS CHILDS

Nathan Theory On Wages Not Upheld

WASHINGTON, Dec. 19.—The prognosticists in the battle of profits vs. wages are setting off their big guns. This controversy does at least one thing. It makes us all look a little closer at the roots of the system in which we live.

The present battle started with the "analysis" prepared for the CIO by Robert E. Nathan, Associates, Inc. In a carefully staged presentation, Nathan announced his conclusion that a 23 per cent increase is necessary to "bring real weekly earnings back to the January, 1945, level."

His report was in many ways an over-simplification. It assumed that the money which goes into profits passes out of the main stream of buying and spending. Taking his theory literally, you have to believe that only through wages are purchasing power and jobs created.

But the flaw in the Nathan theory is in the base on which he builds. He says that a 23 per cent increase in wages is possible without a rise in prices. Theoretically, it may be possible. Perhaps it can be demonstrated by statistics and on charts.

Theory, however, is one thing and what is happening all around us today is quite another thing. A little background points up what this contrast between virtuous theory and greedy practice really means.

Nathan was one of the government economists who helps to persuade the president that industry could give an 18 per cent pay rise without seriously affecting the level of prices. His theory—that as a deputy director of the Office of War Mobilization and Reconstruction—was the same as that expressed in his CIO analysis. Profits, so the theory goes, have gone up much more than wages and therefore business has been able to pay out of the profit pie an ever-increasing share of the wage earner at no cost to the consumer.

But in practice, after the 18 per cent wage boost, the opposite has happened. Prices have begun to soar. Nathan's theory shows that while the cost of living went up only 2.4 per cent from January, 1945, to May, 1946, the increase by the end of this year will probably be 20 per cent.

Even before price controls were imposed the index in the price level was pretty prominent. Whether rightly or wrongly, in accord with the wage-profit theory business was passing along the cost of the wage increase.

Today we have no price controls at all. Mr. Nathan and his clients in the CIO think prices will be held down after a second round of wage increases is heard to see. Self-restraint is not enough.

A significant paragraph at the end of Nathan's report was general.

"We do not suggest that a policy of major wage increases is in itself sufficient to assure a continued stable and equitable expansion of economic activity. On the contrary, complementary policies are required in a great many fields. Fiscal and monetary policy, for example, must be altered drastically to control inflation and to maintain a sound money market. Other controls of a direct character are also necessary to meet special shortage situations. Curbs to monopoly and to concentration of wealth need to be redesigned and administered with new determination. At the same time, we need to provide, especially through the long-overdue expansion of our social security system, for the maintenance of effective demand where the needs are greatest."

Major wage increases at this time are a very real element in such a well-rounded program for sustained economic growth and a wider diffusion of the benefits of such growth among all our people.

Need More Planning

In other words, we need a lot more planning by government to keep the proper ratio between wages and profits in accord with the Nathan theory. The verdict on November 5 was for a lot less planning. That is a political fact as big and as solid as Nathan's economic facts.

The controls are going even before the Republican Congress comes in. Over the last week-end, Mr. Truman threw out just about all that was left of the controlled housing program. The attitude of the men around the president is to move quickly and beat the Republicans to it.

The CIO today does not have the political power to compel industry to give over a share of profits to the worker. They can close industry down. But that might very well be disastrous for the entire economy, including the members of the unions.

Reports from the country indicate that a wage increase of 19 or 25 per cent will be possible with only a minor struggle and without very much influence on prices. If the policy-makers in CIO are sensible, they will accept that compromise.

State Police Say—

The rules for safe driving under adverse weather and road conditions are simple: adjust speed to existing conditions, slow down well in advance of intersections and curves, follow other vehicles at a safe distance, apply brakes lightly and intermittently, and signal your intention of stopping or turning. Take time to be safe. A moment of carelessness—a lifetime of regret.

The old off-year is rapidly drawing to a close... winter arrives on the 22nd and Republican hopefuls are beginning to stir.

Harold Stassen is the first bark... he's not only willing, he's anxious.

Sen. Vandenberg used the reverse technique... he says "I do not choose to run" beating even Harry Truman to the idea.

Democrats are getting powerful bashful. Chicago's mayor Ed Kelly won't even say he'll run for mayor again for fear he might be mistaken for 43 material.

Kelly says "I have never been a candidate but I don't say I will be a candidate and I am not trying to be coy." I'd like to see him when he is trying to be coy.

LOOKING AT LIFE

By ERICH BRANDEIS

After twenty-six years in San Quentin prison for killing his wife, 72-year-old Antonio Di Tardo has turned down an offer for parole.

"Why for I wanna get out of here," he asked the warden. "Here I treat everybody good. They treat me good. Here I like it. Here I want stay."

So, since, according to California law, a prisoner cannot be forced to accept a parole against his will, Tony will serve out his life sentence in prison.

And since in this land of the free and the more or less brave, nobody can force us to leave our self-made prison of laziness and inertia, millions of us will serve out our life sentences as and where we like it.

I can easily understand Tony Di Tardo's fear of facing the outside world at 72 after many years of no responsibility, three meals a day and a routine which, while not pleasant to the average human being, still is much easier than the daily struggle with life and all its demands.

But I cannot understand why so many millions of good brains and potential successes are satisfied to be stagnant pools in the swift river of life.

I cannot understand the complete lack of ambition, of zest and enthusiasm that makes so many people expect to get a lot and to get so little.

Too many people still think that the world owes them a living, without realizing that nobody owes you anything unless you have supplied something to him first. And that something must have a value, or there is no debt.

From Me To You

By MESEKALL

During the past few weeks you have probably received through the mails a letter... in that letter you found some stamps... not ordinary stamps but what we term at this time of year as CHRISTMAS SEALS... they came from a local office and you were asked to pay what you thought the seals were worth... some have sent in their contributions... others have for one reason or another neglected to do the same... Now it's very easy, we know, to put off such a letter... it got to the bottom of your mail and some how or other you just never seem to get down that far until maybe next year.

We are asking you now to dig up the Christmas Seal letter... write a check or send in some cash for the seals or stamps... then use the packages that you are sending out for greetings... or the course the stamps are not bad stamps... every one understands that... The Christmas Seals are to raise money so that the dreaded disease TUBERCULOSIS can be fought.

Since this campaign has been started... many years ago... T. B. as it is known throughout the world and these United States... has been brought under control and we want to keep it under control. Monies are spent right here in Lawrence County... in the schools... in the hospitals and elsewhere that help keep T. B. under control.

So before you wait another moment... make sure that you have tended this little job... your support is important... Don't let us down... and by US we mean you too. Thanks so much.

The mercury went down last night... and but fast too... up the north hill way we say it... but ten above... Haven't been able to get through to East Brook Station... but no doubt they can report so the natives out there report... And who are we to disagree with their words... to most of our kin out that way to start an argument. But we can all agree it is chilly but still no sign of a white Christmas.

The Parent Problem

By Garry C. Myers, Ph. D.

A CHILD'S SELFISH ATTITUDE
Looking forward to Christmas, we parents might profitably ask ourselves, "What is going to be the moral and spiritual effect on our children from their experiences related to the coming Christmas? Will these experiences render them more unselfish or less so?"

Sometimes many children, especially in the economically more favored home, grow more selfish as Christmas time approaches. Most of the time they are wondering, "What am I going to get for Christmas?" rather than, "What am I going to give?"

Too Many Gifts
In the first place most parents lavish far too many gifts on their youngsters at Christmas, even when these parents must make great self-denials in doing so. Then these children come to expect a great deal either "from Santa" or from their parents or other persons.

Teachers and a few of the children's magazines have done considerable to lessen this selfish attitude in children prior to Christmas by encouraging these children to make lovely gifts for their parents. Also a few wise parents have inspired the youngster to save out of his earnings and allowance in order to buy a gift for the other parent.

A Christmas Fund
In a certain family some years ago, a 14-year-old boy who had learned to save and handle his money well began putting aside for a Christmas fund over a period of many months. At Christmas he presented his mother with a platter which cost the lad eleven dollars, as was discovered later. When the boy made the purchase with cash he was questioned by the clerk who knew the parents, since she considered it unusual that the lad had so much money to spend.

Years later the boy confided to his mother that he had come without certain luxuries for weeks and months and had even cut down of his school lunches in order to have the necessary money. Then he added: "I got more fun from that gift for Mother, and thinking about it for weeks and weeks, than from any other gift I ever presented or received."

Pleasure From Giving
Since most parents do the giving at Christmas time, they get more pleasure from giving than they get from receiving. Perhaps there is an opportunity here for many parents to cultivate in the growing child rather values around Christmas time than many parents have supposed.

Somewhat we parents should try to help our children gain the meaning of that Scriptural gem, "It is more blessed to give than to receive," and of the immortal line, "Not that we give out what we share."

The gift without the giver is bare.
The child old enough to write a letter misses good moral and spiritual education if he does not write "thank you" letters. As soon as your child can print his name, write the "thank you" letter for him and let him sign his name. As soon as he can print or write a letter require him to do so within a few days after Christmas. From now till Christmas it may be possible for you to prepare him to choose "on his own accord" to write the Christmas "thank you" notes.

Washington Reports

Rumors Regarding Russia May Be Wishful Thinking
Labor Seen Making Effort To Organize Hockey
Disability Rating Saves Taxes For Ex-Army Officers

(Special to Central Press)
WASHINGTON, Dec. 19.—Seasoned state department officials do not take seriously the rumors from the Balkans which have been seeping into the public prints and foreign radio.

These rumors follow familiar patterns. The favorites still are: 1—Josef Stalin is near death; 2—Russia has developed an atomic bomb and has a huge plant for its production; 3—The United States plans to send troops into Greece to counter the Communist elements in revolt against the Athens government.

Creedence is given to reports that Stalin is in ill health. He is aging and it is a matter of record that he declined two invitations to a "Big Three" talk in Washington, saying that his physician would not permit it.

The day-to-day rumors on Stalin emanate chiefly from Yugoslavia and appear to come from opposition. Russia's behavior in international affairs, plus Stalin's flat statement that she does not have the atomic bomb, are accepted as more credible than sensational rumors to the contrary.

Reports of American preparations to enter Greece are attributed to a desire by revolutionaries to find out United States intentions in this regard. Each report has been immediately and flatly denied by the state department, which is determined not to become involved in Greek internal affairs.

Any military aid for the Athens government, it is believed, would come from Britain.

DISEASES OF THE NAILS

The finger nails and toe nails are important parts of the body. They are useful and sometimes ornamental.

Thousands of years ago, girls stained them to make them prettier. Some girls stain and paint them today.

Sometimes nails become discolored. They get ridges and spots on them. Sometimes pus forms under them. Often these conditions are caused by germs or molds.

It is advisable to have medical advice if the nails show any signs of trouble. Sometimes the disease spreads to other parts of the body and causes a lot of discomfort.

It might be possible to use some kind of treatment to prevent further trouble.

Woman Is Awarded Custody Of Son And \$1,000 Each Month

LOS ANGELES, Dec. 19.—(INS)—Mrs. Johnnie Eager Thorne today held a superior court order awarding her sole custody of their child, Jonathan, 3, and \$1,000 a month separate maintenance from millionaire racing driver sportsman, Joe Thorne.

Thorne started to contest the suit but later withdrew when Mrs. Thorne obtained a court order holding him in contempt for the non-payment of \$7,600 in attorney fees and temporary support.

He did not appear at the trial yesterday.

Superior Judge Roy V. Rhodes castigated the absent Thorne as a "spendthrift" who "indulges a rich man's follies."

Judge Rhodes awarded Mrs. Thorne an additional \$8,000 for attorney fees and forbade Thorne to visit his son until he pays the \$7,600.

In testimony, Thorne was accused of associating with Miss Kay Lockett for the last two years. Thorne and Miss Lockett were identified in a night club photo introduced in evidence.

Four Nazi Prisoners Of War Are Hanged

LETHBRIDGE, Alta., Dec. 19.—(INS)—Four Nazi prisoners of war, professing "eternal loyalty to Hitler," were hanged Wednesday on the gallows of the provincial jail at Lethbridge, Alta.

The four Nazi fanatics died for the murder of a fellow prisoner whom they accused of "disloyalty to Hitler and the Nazi cause."

Hanged were:
Staff Sgt. Bruno Perzenowski, 34;
Sgt. Maj. Heinrich Busch, 29; Sgt. Walter Wolf, 29; and Sgt. Maj. Wilhelm Mueller, 31.

All went to their deaths insisting they had a "right" to kill Corp. Karl Lehmann, who was slain September 10, 1944, in the prisoner of war camp at Lethbridge.

Last night, however, the Nazi prisoners—with the exception of Wolf—sought to cheat the hangman by slashing their wrists. Guards frustrated their ineffectual attempts at suicide.

Baruch Lashes

Wallace Article

NEW YORK, Dec. 19.—(INS)—Bernard M. Baruch yesterday questioned the accuracy of an article by Henry A. Wallace, editor of the New Republic, which mentioned him and appeared in the magazine.

Baruch made public a letter to Wallace in which he said he expected a correction and remarked that it was an "unfortunate way" for Wallace to start his new job as editor.

Baruch previously clashed with Wallace over future world control of the atomic bomb.

A spokesman for Wallace said he had no comment to make upon the letter "at this time."

BYLER-WILLIAMS CHURCH WEDDING

In a candlelight ceremony in Second U. P. church, Saturday evening, December 14, Miss Helen Katherine Byler, daughter of Mr. and Mrs. Harry Byler, 232 Vine street, became the bride of Harry E. Williams, son of Mr. and Mrs. George H. Williams, Sr., 309 Cascade street, with Rev. J. Calvin Rose officiating.

Given in marriage by her father, the bride wore a gown of Chinese silk made en train with a satin bodice, the silk brought from China by the groom. Her fingertip veil of illusion fell from a tiara of seed and bugle beads and she carried a white Bible with an orchid marker and satin streamers. Mrs. George H. Williams, Jr., as matron of honor wore a gown of dusty rose lace and net and carried pink roses and asters.

George H. Williams, Jr., served his brother as best man.

A reception was held at the home of the bride's parents following the ceremony. The newlyweds departed for a wedding trip to Washington, D. C.

Mrs. Williams is employed at the Shenango Pottery and Mr. Williams is employed by Hemmons Radiator Co. after recently being discharged from the First Marine Division serving in China.

L. W. V. BOARD OF REGENTS MEETS

By motion of the board of the League of Women Voters at a meeting in the Y. W. C. A. Wednesday afternoon, a letter in regard to the survey on child welfare requested by a number of representatives of public service agencies will be sent to the county commissioners and also to all those who attended the meeting at the court house in October when the matter of a survey by the Associated Public Charities of Pennsylvania was discussed. Mrs. Lyle C. Hughes presided.

Mrs. John S. Olson was appointed chairman of a special fund-raising project planned for February.

Of interest to the group was a report of the Joint Council of Jewish Women and Hadassah joint study group inter-racial and inter-cultural meeting in Temple Israel on Tuesday evening at which Mrs. Louise Reizenstein of Pittsburgh was the speaker. Reports were given by several members of the league who attended, including Mrs. L. E. Kohn, Mrs. James A. Gillespie and Miss Marguerite D. White.

Next regular meeting of the league will be Thursday, January 9, at the Y. W. C. A. when there will be debates on such topics as "income taxes, should they be changed?", the Wagner-Ellender-Taft bill, passed by the senate by a large majority but still in committee in the House of Representatives, and the Wagner labor act.

ST. ANDREW'S YOUNG FOLKS YULE PARTY

In St. Andrew's Episcopal church, East Long avenue, the young people had their Christmas party in the church parlors on Tuesday evening, with a large attendance.

Contest games and singing Christmas carols was the evening's diversion. "Santa Claus" presented gifts around the Christmas tree. A delicious lunch was served at a beautifully decorated table. Decorating committee was Louise Fell, Fern Riley, Clinton Mitchell, Jack Donston, Louise Ward.

Refreshments, Marlene and Nancy Mitchell, Betty Burle, Suzanne Morrissey, Games, Phyllis Mayer, Young people's advisors, Mrs. Fred Fell, Jacob Hetrick, Mr. and Mrs. David Riley.

TEMPLE CLASS HAS CHRISTMAS SOCIAL

Temple Bible class of the First Baptist church gathered for its annual yuletide meeting Tuesday when a turkey dinner was served at the church at 1 o'clock.

Special music was a feature with Mrs. J. C. Callahan at the piano for a group of carol selections and later as soloist sang a number appropriate to the season. Rev. J. W. Newman, teacher of the class, who was in charge of devotionals, told the Christmas story. Also a feature was a story by Mrs. E. English.

There was group carol singing and an exchange of gifts.

Mrs. Ralph Gross and Mrs. John Shaffer were chairmen of arrangements for the dinner.

Fleeger-McHattie

Miss Vivian Fleeger, daughter of Mr. and Mrs. Walter Fleeger, of Moravia street extension, became the bride of Russell McHattie, son of Mr. and Mrs. Earl McHattie, Ellwood road, at a ceremony performed in home of Rev. S. C. Baker, Ellwood road, December 14 at 1:30 o'clock in the afternoon. Rev. Baker performed the single ring ceremony.

The bride had as attendant her sister, Miss Lillian Fleeger, Donald Kennedy was best man for the groom.

A reception and dinner at the home of the bride's parents followed the ceremony. The newlyweds have taken up residence in their new home on the south hill, this city.

Kiwanis Hears Lieut. Governor

Gerald S. Harshman, Of
Sharon, Deliver Fine Ad-
dress On Spirit Of
Kiwanis

New Castle Kiwanis club had the pleasure of a visitation from their new lieutenant governor, Gerald S. Harshman, Sharon newspaper man, who delivered a splendid address on the spirit of Kiwanis at the meeting Wednesday afternoon in The Castleton.

The occasion was the induction of new members, George C. Peacock and son, George C. Peacock, of the Office Machines and Equipment company, being officially received into membership with the accustomed ceremony, which was in charge of Ralph Z. Galbreath, chairman of the Education committee, assisted by Thomas L. Paden, past lieutenant governor.

The new members were presented with their Kiwanis pins by President Kenneth H. Beck.

Kiwanians can have a big part in the rebuilding of our nation and the world by helping to restore the faith, vision and courage of our forefathers, Mr. Harshman stated, but it will take more than platitudes to save us.

The war appears to have left too many people in this country too tired to live up to their responsibilities, and therein lies our danger, he stated. In our desire for comfort and security through higher wages, we may march down to the hell of Nazism, because too many of us lack the spirit to speak our mind on moral issues.

BUS DRIVERS RETURN
PITTSBURGH, Dec. 19.—(INS)—Bus drivers of the Ohio river Motor Coach company returned to work today following a one-day strike over the suspension of a driver. At the same time, a meeting was scheduled today between drivers of the Deere Brothers Bus lines and company officials in an attempt to end a strike started last Friday in a wage dispute.

Chanukka Services At Temple Israel

Sabbath and Chanukka services will be held Friday evening, December 20, at 8 o'clock, with Dr. Iwan J. Gruen, Rabbi of the congregation in charge.

He will preach on the sermon, "Chanukka—Then and Now." The annual Chanukka celebration of the religious school will take place, Sunday afternoon, December 22, at 2:30 o'clock. A Chanukka program will be presented by the students.

HOLD YOUNGSTOWN MAN IN SHOOTING

YOUNGSTOWN, Dec. 19.—Cleo Lacelleaux, aged 43, was held here today, after the fatal shooting last night of Lucius Adams, 42, who was slain in the driveway of the Lacelleaux home.

According to the story he told police, Lacelleaux stated that he was sitting in his home when he heard his name being called. Seizing a gun he stepped outside where, he reports, Adams was standing and pointing a pistol at him. Lacelleaux fired a shot which felled Adams. He was pronounced dead upon being removed to the hospital.

BLUM'S CABINET SLASHES BUDGET

PARIS, Dec. 19.—(INS)—A drastically reduced budget, on which Premier Leon Blum's all-Socialist cabinet worked late into the night, was expected to be submitted to the national assembly this afternoon. No official announcement concerning the budget will be made prior to its presentation to the deputies but it was indicated the ministers had approved a reduction in some subsidies granted to keep down the prices of staple goods.

NO MEAT SHORTAGE

CHICAGO, Dec. 19.—(INS)—Jared D. Howard, Jr. of Chicago is utterly unlike the elephant when it comes to memory, for he seems to have forgotten the meat shortage.

That's the charge of his wife, Audrey E. Howard, who is suing him for divorce. She charged that at 4 a. m. Dec. 15 he came home and demanded a roast beef sandwich, took one bite and then threw both sandwich and plate at her.

The area of Continental United States in square miles is 3,738,393.

ASK APPOINTMENT OF RECEIVER FOR INDEBTED LAWYER

PHILADELPHIA, Dec. 19.—(INS)—Federal Judge A. Welsh was asked today to appoint a receiver for a Philadelphia attorney alleged to owe creditors as much as half a million dollars.

Three of the creditors petitioned the court for an order of involuntary bankruptcy against Max E. Cohen. The petition was filed by Joseph Ominsky, who said he understood Cohen is ill in a nursing home.

Claims presented by the petitioners totaled \$50,000, and the highest was the sum of \$41,350 asked by Benjamin Yarowitz. Ominsky said a total of 50 creditors, including businessmen and fellow lawyers, were involved.

SCARCE WHISKIES PLACED ON SALE

HARRISBURG, Dec. 19.—(INS)—Between 20,000 and 25,000 cases of scarce whiskies were placed on sale today in 575 state stores. Frederick T. Gelder, chairman of

the liquor control board, said approximately 7000 cases of Scotch would be included in the merchandise to be sold on a first-come, first-served basis.

Former Resident Claimed By Death

H. Telford Newton, aged 41 years, of Beaver, Pa., R. D. 1, and a former resident of New Castle and Ellwood City, died Wednesday at 3:10 p. m. in the Rochester General hospital, Rochester, Pa.

Surviving are his wife, Mrs. Madeline Newton, of Beaver, his children, Delores, Eddie and Eleanor, and his mother, Mrs. John Lehner, of Wampum, R. D. 1.

Funeral services will be Saturday at 2 p. m. in Beaver Falls, in the Scott funeral home.

Interment will be in Locust Grove cemetery, Ellwood City.

New Manager At Blind Booth In Post Office Today

Stanley Sokolowski Takes Over Post
Vacated By Miss Dorothy Hunter
Who Is Being Married

Stanley Sokolowski, of Moorehead avenue, R. D. 8, has taken over the duties of the post of manager of the blind booth in the post office, which has been vacated by Miss Dorothy Hunter, who has resigned to be married Saturday.

Mr. Sokolowski has spent several days getting acquainted with the duties of his new job, and will be permanently in charge of the booth in the future, where friends may purchase magazines, smokes, and candy.

According to Senator Walsh of Massachusetts it took 60 years of agitation to enact reasonable child-labor legislation in that state.

WOMAN INJURED IN FALL DOWN STAIRS

Mrs. Dora Johnson, aged 73 years, of 2305 Highland avenue, was injured about the head when she tripped and fell while descending the stairs at the American Legion social rooms Wednesday evening. She was taken to the Jameson Memorial hospital where she was admitted for treatment.

MONACA DRIVER FATALLY INJURED

MONACA, Dec. 19.—Edward D. Slater, aged 25, of this city, died shortly after his admission to the Beaver Valley General hospital following a traffic accident in New Brighton early Wednesday morning. The accident occurred when Slater attempted to pass a car and crashed into the left side of a truck.

Present Honor Roll Book To Mayor

Mayor John F. Haven is shown receiving a copy of the Lawrence county honor roll book, sponsored by the Ladies' Auxiliary of the Cpl. Harry L. McBride Post 522 Veterans of Foreign Wars. Presentation of the book was made by Mrs. Lillian Davis, chairman of the committee. Others in the picture include Mrs. Evelyn Woods, department president of the Ladies' Auxiliary to the V. F. W. of Pennsylvania, and Mrs. Rebecca McKissock, president of the local post. The book lists all World War II veterans of the county.

Amnesty Appeal Made By G.B.S.

LONDON, Dec. 19.—(INS)—George Bernard Shaw, in a Christmas appeal, called for an extension of amnesty to all war and political prisoners as the next best thing to "exterminating mankind as vermin."

Show joined the Bishops of Oxford and Winchester, the Archbishop of Cardiff and other notables in supporting the amnesty appeal made in the Christmas number of the Catholic Herald. The Herald asks amnesty for all political and war prisoners other than criminals.

In stating his opinion, the Irish author said:

"I applaud the view of the Catholic Herald. It's the only really Catholic proposal short of exterminating mankind as vermin. 'Until we've genuine amnesty, we shall go on plundering, slaughtering and proclaiming a peace where there is no peace.'"

SCHOOL TEACHERS REFUSE TO RETURN NEAR SHAMOKIN, PA.
HARRISBURG, Dec. 19.—(INS)—Ninety striking teachers refused to return today to classrooms in Coal township near Shamokin despite the intervention of the department of public instruction in the 19-day-old walkout.

Superintendent Francis E. Haas scheduled a second conference of representatives of teachers and school directors next week at Harrisburg in an effort to settle the wage deadlock closing classrooms to 2400 students. A definite date has not been fixed.

HOLIDAY EVENTS

Carol Singing Programs Among Special Features In College Town This Week

NEW WILMINGTON, Dec. 19.—Christmas caroling, Christmas parties and the exchanging of gifts are in full swing at Westminster college. Santa Claus' early arrival is due to the fact that the students will leave here Friday for the holidays and will be gone until Monday, Jan. 6.

Freshmen girls sang carols outside the various dormitories on Wednesday night and also sang at Overlook sanitarium. Girls of Ferguson dormitory will carol Thursday night.

Various organizations have had charge of the double chapel services. The German classes under the direction of Walter Eberich, sang the old Christmas carols in German Wednesday. Karux, an organization of pre-ministerial students, had charge Thursday.

Highly decorated trees have been up in the sorority and fraternity houses for the past week and the various organizations have all held Christmas parties at which time gifts were exchanged.

tion. It was a vote against the abuses of Unionism, as manifest in the wholly unnecessary hardships to which Union dictators have subjected the mass of our people.

Enlightened labor leadership, instead of thumbing its nose and sticking out its tongue at this popular voting demonstration, would be at least one jump ahead of Congress and the State legislatures in instituting badly needed reforms in their organizations. They would acknowledge to themselves that the public is tired of bullying and disregard for its interests; that people are weary of murder, assault, sabotage and grafting in the name of "labor"; that millions of other workers in their own organizations, as well as other millions unaffiliated, are sick of enforced idleness and hardship imposed by labor bosses interested only in feathering their own nests and expanding their personal powers.

and Philip Murray possessed half the acumen with which their followers credit them, instead of issuing braggadocio proclamations and hinting at further strikes, they would be conferring with the leaders of the new Congress and the President on some program for reform within their organizations which would make it unnecessary to legislate these reforms, and enforce them under government supervision, instead of under their own supervision. They would be offering their co-operation, instead of their opposition, to enforce legal and financial liability of Unions; to give full publicity to Union finances; to halt Union political assessments and contributions; to outlaw jurisdictional strikes, strikes in public utilities and strikes in such basic industries as coal. They would endorse legislation against lawlessness and conspiracy in the name of "picketing". They would inject genuine democracy into Union rule by giving the rank and file a real voice, instead of arrogating to themselves Hitleresque powers over their own memberships.

Unfortunately it seems that these leaders, as was said of the olden Bourbons, never forget, never learn. If they find themselves some of these fine mornings stripped of their autocratic powers, with legislative hobbles on themselves and their followers, it will be entirely due to the blindness of those who will not see.

**UNITED AIR LINES
TO HALT PACIFIC
FLIGHTS JAN. 16**

CHICAGO, Dec. 19.—(INS)—W. A. Patterson, president of United Air Lines, announced today his firm will cease its trans-Pacific operations Jan. 16.

United has flown military passengers, cargo and mail across the Pacific for more than four years while under contract with the air transport command.

Patterson said the 1,187 United employees in Pacific operations will be assigned to commercial operations on other routes.

Among Louisiana's many valuable assets are 1,800 miles of navigable waterways and approximately 4,600 miles of railways.

**Many More Vets
Get Federal Jobs**

The third regional office of the U. S. Civil Service Commission announced today that 738 veterans received appointments during the month of November. Of this number 713 were in Pennsylvania and 25 in Delaware. The major part was appointed by the Veterans Administration which accounted for 360, of which 335 were in Pennsylvania and 25 in Delaware. The navy department was second with 241 appointments.

Veterans interested in Federal employment should watch the bulletin boards of the post offices throughout the region for the latest announcements.

Truman's Council Sees Prosperity In Years Ahead

By ROBERT G. NIXON
(U.S. Staff Correspondent)

WASHINGTON, Dec. 19.—President Truman's new council of economic advisers on Wednesday predicted a period of high prosperity for the nation for a number of years to come.

The council reported to the chief executive that "the outlook for production is more than ordinarily favorable for a period of some years ahead."

The report was based on a study of several months seeking to draw an economic blueprint of the nation's prospects.

The group of advisers warned, however, that unless corrective methods are followed during the years of prosperity the stage will be set for a disastrous depression.

A temporary economic recession was forecast for 1947.

The council found that "in spite of certain conditions that might make for a dip in 1947, we believe that courageous and sensible action by those responsible for the administration of private business relations (including labor unions) can at least hold such a recession to moderate proportions if not avert it."

Thereafter, it would seem that broad basic conditions suggest that it will be easy to have some years of high production, employment, and purchasing power without the display of any extraordinary economic statesmanship by leaders of industry, labor, farming and finance.

The study recommended governmental action during the years of prosperity and full production based on long pent-up demands for goods to avert a depression later on.

The report stated:

Can Avert Recession
"While the prospect for high employment and production in the near term is good—barring the possibility of a brief dip—it is pretty generally recognized that the basis of this activity are somewhat artificial or at least actively in the present lines cannot be expected to continue indefinitely."

"Thus the plans of private business and the thinking of the government cannot too soon be directed toward appraising the probable duration of present sources of activity and toward foreseeing what may be done to utilize the nation's resources after present stimuli have been removed or weakened."

Can Make Plans
"In those years, also, if foresight is not keen and action vigorous, the stage will be set for serious unemployment, under production, and waste in the years that follow."

"It is our belief, however, that enough time is afforded in which wise policy and action on the part of labor, management, of agriculture, and of finance, with a very carefully considered complementary role by government, will not only raise the national prosperity to new high levels but will maintain those levels with a degree of stability which has not characterized the earlier exploratory and speculative decades of our industrial life."

Vets Hospital For Pittsburgh Planned

PITTSBURGH, Dec. 19.—(INS)—A veterans hospital will be built over an abandoned coal mine in Pittsburgh Medical Center, after all but not for a year at least.

A veterans administration official today disclosed that U. S. engineers had rejected all other proposed sites for the 1248-bed hospital in favor of a 14-acre tract of land behind the University of Pittsburgh stadium.

Construction probably won't get under way until late in 1947 or early in 1948. He said architects will take about eight months to prepare plans for the hospital.

Thirteen acres of the land are owned by the University of Pittsburgh; the other acre by private individuals. The VA will purchase the land.

The state of Ohio leads all others in capacity for the production of both electric furnace steel and Bessemer steel.

SEEK TO CALM STRIKING GROUP IN NAPLES, ITALY

NAPLES, Dec. 19.—(INS)—The government speeded emergency food supplies to Naples today in an effort to placate workers, discharged soldiers and unemployed who have

paralyzed the city with a general strike. The strike, proclaimed Tuesday, has brought all public services to a standstill, closed all bus, tram, and newspaper and caused business, except that dealing with food, to suspend.

Premier Alcide De Gasperi broadcast an appeal to the Naples strikers to return to their usual tasks. He promised to end the food shortage by the first of the year. He assured the strikers that they would receive unemployment doles and that the government would inaugurate public works.

Birchbark boxes embroidered with porcupine quills were made by the Ursuline nuns of old Quebec before 1650. The porcupine quill embroidery was invented by the nuns, not learned from the Indians. The nuns taught it to the Indian girls in their convents in Quebec and Montreal. Such boxes are included in an exhibition, "The Arts of French Canada," shown recently at the Cleveland Museum of Art.

No Gambling... with an Electric Range

When oven-pecking and temperature guessing were necessary, it was sometimes a "gamble" whether the results would be as good as expected. Electric cooking has eliminated all that guess work. Today you merely set the controls for the correct temperature and the required length of time. The measured heat of electricity never varies. Whatever is cooking has to come out perfect. Now, we're not saving an inexperienced cook can turn out pies "like mother used to bake". That depends on the "mix". But the baking will be as accurate as her time and temperature table. And then the expert as well as the novice will find cooking easier and more fun.

Yes, you can't beat cool, clean, automatic electric cooking—it's a "sure thing".

BAKE COFFEE CAKE in 1/2 THE TIME!

OCCIDENT'S NEW **SPEEDIE** METHOD

HERE'S THE SPEEDIE WAY TO DO IT!

INGREDIENTS

6 1/2 cups OCCIDENT Family Flour
2 cups lukewarm water (87° F.)
1/2 cup sugar
2 cakes compressed yeast

1 tablespoon salt
2 eggs
1/3 cup shortening

SPEEDIE METHOD

1. Place water, sugar and yeast in mixing bowl. Add salt and 2 cups sifted flour. Beat with electric mixer or rotary beater 2 minutes. Add eggs and melted and cooled shortening. Beat 1 minute.
2. Gradually add 4 1/2 cups flour. Stir until dough is formed. Let dough "rest" in bowl 20 minutes. No kneading!
3. Roll 1/2 of dough into a 9 x 12 inch rectangle on floured bread board. Fit

dough into greased pan. Brush top of dough with melted shortening. Press slices of peeled apple into dough. Blend 1/4 cup brown sugar with 1/2 teaspoon cinnamon and sprinkle over apples.

4. Cover. Let rise in a warm place (about 85°) for 30 minutes. Bake 30-35 minutes in a moderately hot oven (375°).

Numerous Programs At Thaddeus School

Christmas Scene Displays 190 Stars
Denoting Victory Stamp And
Bond Buyers

The Christmas spirit has completely captivated the students of the Thaddeus Stevens grade school on the East Side, with every boy and girl determined that this year will be the brightest in the history of the school.

All departments of the school, including music, art and dramatics have been busy for weeks getting ready for the annual Christmas presentations. This afternoon the second and third grades under the supervision of Miss Lucille Courtney and Miss Pauline McFate presented their program and play entitled "A Toy Shop Mixup", while tomorrow, the class of Mrs. Nancy Stevenson will present the play entitled "The Lonely Child".

An operetta entitled "Is Santa Real?" under the supervision of Mrs. Ruth Myers, will be presented on Friday. The vested choir will be heard in the Almira Home Friday afternoon.

The school's Christmas tree this year is unique in the fact that it is decorated with stars, 190 of them, depicting the names of the boys and girls that have purchased stamps and bonds during the first semester of the school year.

St. Louis WAA Director Quizzed On Sales Delays

ST. LOUIS, Dec. 19.—(INS)—Charles G. Alexander, St. Louis regional director of the War Assets Administration, was summoned for further questioning today regarding delays in moving surplus materials to the public.

Alexander has submitted his resignation to take effect Jan. 1. He is being questioned by a congressional committee headed by Rep. Robert Slaughter (D., Mo.).

Slaughter and his aides have received testimony indicating that red tape and unreasonable directives from Washington were responsible for the pile-up of \$15,000,000 worth of material in the Granite City, Ill., engineers' depot without proper records.

It has been charged that hard-to-get photographic film and paper have been stored so long they have spoiled. Desks and typewriters by the hundreds have remained in storage.

Slaughter May Be Chief Counsel For Probers Committee

WASHINGTON, Dec. 19.—(INS)—Rep. Slaughter (D. Mo., who was "purged" by President Truman when he sought re-election, may return to the House next year as chief counsel for a Republican investigating committee.

It was learned today that Republicans, who will take over control of the 80th Congress January 3, are giving serious consideration to a proposal to place Slaughter in charge of a GOP investigation of surplus property disposal.

House Republican Leader Martin of Massachusetts admitted that the move had been suggested to him, but withheld comment on what action would be taken.

Three Fugitives Are Recaptured At Valley Forge

PHILADELPHIA, Dec. 19.—(INS)—Police centered a search in Philadelphia today for three of six insane army prisoners who fled from Valley Forge General hospital on Tuesday.

One fugitive returned to the hos-

pital voluntarily after two others were captured near Washington's headquarters at Valley Forge. He was Frank L. Lofton, 26, negro, of Saginaw, Mich.

The recaptured convicts were Howard Boggs, 28, of Huntington, W. Va., and Curtis L. Fogarty, 24, of Appalachia, Va. They were unarmed and clad in blue denim hospital pajamas.

Hospital authorities said the three still at large are Joseph Bruno, 28, of Staten Island, N. Y.; Henry F. Keller, 28, of Newark, N. J.; and Gerald Brant of Berlin Heights,

O. All were serving long terms or life sentences for major offenses. Meanwhile terror-stricken residents of Phoenixville and other towns adjoining the hospital protested against the confinement of dangerous mental cases at the army institution.

TRANSPORT BILL MOVED ALONG BY HOUSE OF COMMONS

LONDON, Dec. 19.—(INS)—The labor government's bill to nationalize Britain's transportation system, approved by the House of Commons on second reading, passed today into the hands of a standing committee for further processing.

The committee, comprising members of all parties in proportion to their strength in Commons, will tidy up the multiple provisions of the bill

and probably attach numerous amendments. Then the bill will be returned to the House for debate and a third reading before being passed on to the House of Lords.

Nationalization was assured last night when Commons approved the measure 352 to 204 despite vigorous opposition by the conservatives.

The bill provides for an outlay of more than four billion dollars to compensate the owners of Britain's major railroads and canals and the London transport system.

Christmas Seal Sale In Wind-Up

Chairman Samuels Reminds County Only Few Days Remain In Annual Campaign

Alec Samuels, chairman of the Lawrence County Christmas Seal Sale, today reminded residents that only one week remains in the campaign and urged all those who have not purchased seals to do so within the next few days.

"The annual sale concludes Christmas Day," said the chairman, "and so far we have only raised a little over half the county's quota. The next few days are vital ones in the drive. I ask all who have not mailed back their money for the seal to do so at once to put the drive over the top."

Explains Quota
Mr. Samuels explained that the quota for the county, excluding Ellwood City, is \$13,500. Ellwood is attempting to raise \$2,700 which makes the total \$16,200.

Day will be held Saturday, December 21, at which time Rainbow girls of the community will collect donations in many of the business establishments and other buildings around the city. This will represent a final effort to increase the fund for the battle against tuberculosis in the county.

T. Clark Moore Dies At Cleveland

Winfield Moore, of 307 North Beaver street, this city, has passed away, leaving a widow and three children. He was 90 years old. Mr. Moore, a former New Castle resident and prominent in the restaurant business, died this morning at his home, 1817 Lamson road, Cleveland, O. He operated until the time of his death a restaurant which he opened 50 years ago in Cleveland.

Mr. Moore, son of the late John and Elizabeth Sauerbach Moore, pioneer settlers of New Castle, was born January 30, 1856, in this city. He married the former Miss Mary Jane Shaff, of New Castle, who is deceased.

Survivors include three sons, Murray Moore, Youngstown, O.; Harry and Benjamin Moore, both of Cleveland, and one brother, Winfield Moore, of this city.

Funeral services will be conducted Saturday afternoon at 3 o'clock from the late residence, where friends are being received. Interment will be in the Woodlawn cemetery, Cleveland.

And the Same to You, Says Mr. McGiverly

"This is one year I can wish the whole world a Merry Christmas," said our friend Horatius Q. McGiverly (of the Spring Hill McGiverly's).

"The war is over, the peace meetings are coming on, more and more we're getting back to the job, and the outlook for 1947 is highly propitious (he meant propitious).

"Keep on the job the way you have been," said Mr. McG. as he started through the door. It's a fine job you do of doctoring sick automobiles and more power to your elbow."

And as he went out into the December air he yelled back "And the same to you". All of which we pass on to our friends and customers, the best wishes for a happy season.

One Killed, Several Hurt When School Bus-Truck Collide

WHITE ROCK, S. C., Dec. 19.—(INS)—One person was killed and several others injured, including a number of school children, when a lumber truck and a school bus collided today near White Rock on the Newberry-Columbia highway.

The collision occurred at a crossroads. Sam Rausch, 40, who was riding on the lumber truck, was killed instantly. Earl Weintraub, the lumber truck driver, was reported in critical condition, and his cousin, Jim Westinger, who was at the wheel of the school bus, was hurt painfully.

Several school children were injured by flying glass. Four ambulances were called from Columbia and the injured were taken there for hospital treatment. The school bus, loaded with more than 30 children, was en route to a school at Chapin, S. C.

The scene of the wreck was less than 25 miles from Silverstreet, S. C., where yesterday 10 children and a school bus driver were killed by a Southern Railway passenger train.

Christ Methodist Annual Program

Annual Christmas program of Christ Methodist church, South Hill street, will be held Sunday evening, December 22 at 7:30 o'clock.

The program will consist of special vocal and instrumental music, recitations and exercises closing with a prayer. "The Stranger."

Rev. Salmonetti will deliver his annual Christmas sermon Sunday morning on "The Glory of Christmas."

Shenango High Christmas Events

Shenango High School junior and senior Y-Teens had their last meeting of the year Wednesday, with a program in the form of a Christmas Eve broadcast.

Characters were: Dolly Montgomery, announcer; Dolly Glasner, Ruth Tanner, Sue Bassell, and Dorothy Duckworth. The junior Y-Teens sang carols.

The Junior High School mixed chorus sang carols at a neighboring church and will sing again at a downtown store this evening.

Members of the junior class are having their Christmas party on Friday evening at the school, with games, dancing, and refreshments planned. John Susko is the faculty supervisor of the class.

The faculty of the school enjoyed their Christmas dinner party recently at a tea room on the Wilmington road. Those on the social committee arranging for the dinner and making the attractive decorations and favors were: Mrs. Jennie Black, chairman; Miss Doris McElwain, Mrs. Olga Lazar, Mrs. Lila Houge, Ed Nolan, Miss Leola McCommon, Elmer Brown, Jack Dunlap and John Rowe.

Operetta Will Be Given At Shenango

Shenango High school's Christmas operetta, "Red Candles", will be presented to the students on Friday morning and afternoon under the direction of Miss Leola Rowe, with Miss Mary Aiken as accompanist. Both students and their parents may attend.

Leading characters are Barbara Sillman as Gilda; Tommy Shaffer as Gibby; Eleanor Stroud as the mother; Joan Munnell as a waitress; Betty Gordon, Joe Weinschenk, Howard Kelly, Grace deChant as the Spirit of Christmas, and Beverly Glasner as Snowflake.

Choruses of gnomes, carolers, waifs, reindeer, and a group of ballerinas add to the Christmas gaiety. During the play, Gibby, who has been told that there is no Santa, sees one. Costumes for this production are being designed by the mothers and teachers, and other music is by a mixed chorus and a girl's chorus singing French carols. Instrumental accompaniment for this is by Joanne Johnson, Jeanne McKissick and Clara McCandless. The orchestra will play a swing version of "White Christmas" and "Jingle Bells."

SNATCH PURSE

Mrs. Deana Palumbo, 620 East Reynolds street, reported to police that while shopping in Murphy's she had her pocketbook, which contained \$50, snatched. The theft occurred at 1 p. m.

Operetta Will Be Given At Shenango

Shenango High school's Christmas operetta, "Red Candles", will be presented to the students on Friday morning and afternoon under the direction of Miss Leola Rowe, with Miss Mary Aiken as accompanist. Both students and their parents may attend.

Leading characters are Barbara Sillman as Gilda; Tommy Shaffer as Gibby; Eleanor Stroud as the mother; Joan Munnell as a waitress; Betty Gordon, Joe Weinschenk, Howard Kelly, Grace deChant as the Spirit of Christmas, and Beverly Glasner as Snowflake.

Choruses of gnomes, carolers, waifs, reindeer, and a group of ballerinas add to the Christmas gaiety. During the play, Gibby, who has been told that there is no Santa, sees one. Costumes for this production are being designed by the mothers and teachers, and other music is by a mixed chorus and a girl's chorus singing French carols. Instrumental accompaniment for this is by Joanne Johnson, Jeanne McKissick and Clara McCandless. The orchestra will play a swing version of "White Christmas" and "Jingle Bells."

SNATCH PURSE

Mrs. Deana Palumbo, 620 East Reynolds street, reported to police that while shopping in Murphy's she had her pocketbook, which contained \$50, snatched. The theft occurred at 1 p. m.

Shenango High Christmas Events

Shenango High School junior and senior Y-Teens had their last meeting of the year Wednesday, with a program in the form of a Christmas Eve broadcast.

Characters were: Dolly Montgomery, announcer; Dolly Glasner, Ruth Tanner, Sue Bassell, and Dorothy Duckworth. The junior Y-Teens sang carols.

The Junior High School mixed chorus sang carols at a neighboring church and will sing again at a downtown store this evening.

Members of the junior class are having their Christmas party on Friday evening at the school, with games, dancing, and refreshments planned. John Susko is the faculty supervisor of the class.

The faculty of the school enjoyed their Christmas dinner party recently at a tea room on the Wilmington road. Those on the social committee arranging for the dinner and making the attractive decorations and favors were: Mrs. Jennie Black, chairman; Miss Doris McElwain, Mrs. Olga Lazar, Mrs. Lila Houge, Ed Nolan, Miss Leola McCommon, Elmer Brown, Jack Dunlap and John Rowe.

'Iron Lung' Mother Making Headway Towards Recovery

PORTLAND, Ore., Dec. 19.—(INS)—A young mother who bore a healthy child while she was confined in an iron lung expressed hope today that she will be able to "rough-house with him" before he goes to school.

The mother, Mrs. Carolyn Davis Wilson, gave birth to the boy Dec. 18, 1943, when she was virtually paralyzed by infantile paralysis. The husky tot, Jamie, is now 38 inches tall and weighs 37 pounds.

Lying on a sofa at her mother's home, Mrs. Wilson reminisced, and said:

"Jamie is getting to be such a big boy now, and I wanted to be up and able to roughhouse with him before he is old enough to go to school."

Mrs. Wilson recalled that before Jamie was born she "couldn't swallow or move a muscle excepting to talk and move my eyes". She left the respirator a month after his birth.

Now 23, Mrs. Wilson is making slow headway but is determined to recover completely. She can now move her head and control the muscles in her upper shoulder, and she can move one arm slightly and wiggle her toes.

Bessemer Church Program Monday

Junior department of the Bible school of First Presbyterian church, Bessemer, will present "The Birthday of Jesus," an entertainment, Monday evening, December 23, at 8 o'clock in the church.

Children will receive a treat at the close of the program that is being directed by junior department teachers.

TO ANNOUNCE TREATMENT
LONDON, Dec. 19.—(INS)—Sir Stanford Cade, leading British cancer authority, will announce formally tonight the production of a new drug being used successfully in the control of cancer of the prostate gland "and possibly other sites."

Sir Stanford said the drug—stilboestrol—was produced synthetically by Dr. Edward C. Dodds, professor of biochemistry at the University of London.

Ex-GOP Leader Refused Pardon

HARRISBURG, Dec. 19.—(INS)—Joseph (Big Joe) Bruno, 65, former Schuylkill county Republican leader, sentenced to a life term for murder, remained in the Eastern Penitentiary today after the State Pardon board rejected his 33-month-old application for clemency.

Gov. Martin committed the life sentence of a 59-year-old brother, Philip, upon recommendation of the State Pardon board.

Both men were sentenced for their part in the Kefauver election eve slaying of five Democratic paraders 12 years ago in Schuylkill county. Six Bruno kinsmen were convicted.

"Big Joe" caused a stir in Decem-

ber, 1936, with a "walkaway escape" at Pottsville while enroute to a dentist in the company of a guard. He was not apprehended until the following August in New York after a nationwide search.

COLONEL'S WIFE FIRST DEPENDENT TO DIE IN JAPAN

YOKOHAMA, Dec. 19.—(INS)—The first death among dependents of United States servicemen in Japan was recorded today.

The army announced that Mrs. Margaret Diller, wife of Lt. Col. J. C. Diller, died of a heart attack last night. She arrived from her Kansas City home two weeks ago.

Colonel Diller heads the legal section of the Kanagawa military government.

REFUSE JOBLESS PAY TO WORKERS IDLED BY STRIKE

HARRISBURG, Dec. 19.—(INS)—A decision of unemployment compensation board of review today denied jobless compensation to employees idled as the result of work stoppages.

The ruling was returned by the board in the appeal of Daniel E. Mosley and James Norman, Madera coal operators, whose mines were

shut by a truckers strike in March. The board ruled that the claimants were not totally unemployed and therefore ineligible for compensation.

Finish Tarts Are Special Delicacy Of Christmas Festivity

Close neighbors of the Polish people, whose Christmas customs we mentioned in Wednesday's paper, the Finnish people have also brought many of their recipes and manners of celebrating the holidays to this country with them.

Mrs. Edward Leppaho, of 713 South Ray street, wife of the minister of the Finnish Lutheran church, was extremely cooperative in helping us discover some of the customs and foods of the people of Finland. She discussed the matter with many of the women of the congregation, many of whom recalled that the main Christmas dinner was served at midnight on Christmas eve.

Pork Not Turkey

The meal included a roast leg of pork, mashed potatoes baked in the oven with pork slices on top, a raisin soup made of raisins and prunes and thickened with corn starch, and a rice pudding called Joulou puuro, made of rice cooked in milk and served with cinnamon and sugar. This rice dish is native to many European holiday meals, including those of Sweden, Poland, the Ukraine, and other neighboring countries.

After the dinner, some of the family may take a nap while the dishes are being washed, and then at 4 or 5 o'clock in the morning, the entire family sets out for church. They travel by sleigh over the deep northern snows, with candles in the windows of all the homes lighting the way.

On Christmas day, when guests drop in for a visit, one of the most common dainties served in the "old country" and just as commonly served in Finnish homes over here are Joulou torttuja, or Christmas tarts.

Plenty of Butter Needed

For these tarts you need one pound of butter, one pound of pastry flour, a pinch of baking powder, one half pint of water, and the yolk of one egg.

You sift the flour and the baking powder together. Take one eighth of the pound of butter and work it into the flour. Add the egg yolk with the water, and knead until the dough leaves the hands. Roll out on a cookie sheet, very thin. Put it in the refrigerator to cool, covered with damp towels.

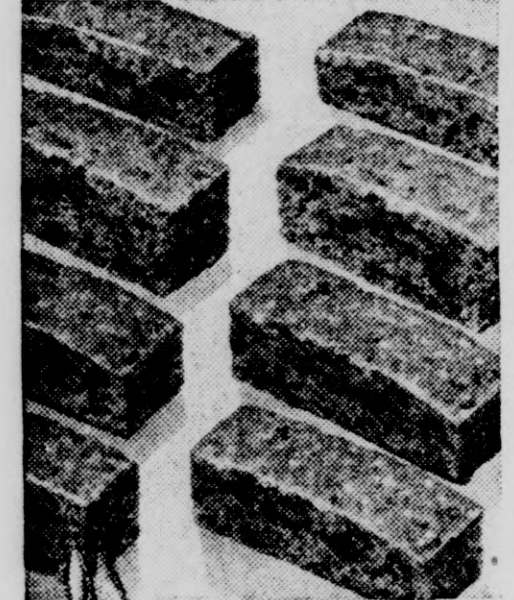

In the meantime, wash the balance of the butter in several waters. When cold, take the dough and spread butter over half of the sheet; fold the other half of the sheet of dough over the buttered part. Continue until butter is all used, but remember to put dough back in refrigerator each time until it gets cold again. Work butter with thumb so that it goes on easily. Fold opposite to previous fold, each time.

1/2 tsp. baking soda • 1/2 tsp. salt
1/2 tsp. cinnamon
1/2 tsp. nutmeg • 1/4 tsp. cloves
1/2 cup Brer Rabbit Molasses
2 eggs, unbeaten
1 cup ea. nuts and raisins, chopped.

NO CREAMING OF SHORTENING. Melt in 3- or 4-quart saucepan over very low heat. Remove from heat; cool. Mix and sift dry ingredients.

NO BEATING OF EGGS. Add molasses to unbeaten eggs to cooled shortening; blend well. Add dry ingredients; mix well. Stir in nuts and raisins. Bake in greased and floured 10" x 6" x 1" pan in moderate oven (375° F.) 20 to 25 minutes or until done. When cool, cut into 1" x 3" bars. Makes about 20 bars.

dough should still be thin. Cut it in fancy shapes, putting two together with jelly or prune filling. Bake.

And if you make it the way the Finnish women make it, it will be the prize item on your Christmas table. Serve it to your guests with coffee when they stop in to see your gifts. It's a little bit too rich to serve with wine.

Albanian families have a confection which is very similar, but that will be mentioned in a later article.

Around Hollywood

By JOHN TODD

International News Service Staff Correspondent

HOLLYWOOD, Dec. 19.—(INS)—Ida Lupino is in revolt at Warners. The beautiful red-head is willing to give a lot for the cause of art, but not all.

With the temperature very much on the chilly side these days, Ida is balking on going on a new location in the San Fernando Valley for her picture, "Deep Valley." She wouldn't mind if she were to be working in a fur coat, but the schedule calls for her to be in a simple print dress.

She told your reporter all about it after she'd lodged her protest. "I had all of that stuff I wanted during an eighteen day location trip up in the mountains," Ida said, "when I got back home I came down with bronchial pneumonia."

"I don't feel too well yet. When I was up there I had to do such things as lay in the snow in a thin dress, go around without any shoes and hang hands in a pool of ice water."

"Enough is enough." It's reaching the stage now where it's hard to get anyone to talk about anything but Christmas. Arlene Dahl, the Minneapolis red-head, is getting probably the most welcome present in town.

After four months she's found an apartment—in a new building, too. She's going to be able to move in Christmas Eve. Arlene's also just

got delivery on a new automobile. Lucky girl!

One of the most sentimental parties will be the annual shindig Hume Cronyn and his missus, Jessica Tandy, have for fifty of their friends. It'll be Sunday night from 8 until midnight. Hume and Jessica have been out shopping for a week, buying presents for everyone.

A friend just sent your reporter a Christmas present. It's a fountain pen. This one writes on paper. Quite a unique pen.

It's definite now that M-G-M is sending a big movie company to London to shoot a picture, "The Secret Garden." The cast will be headed by little Margaret O'Brien and Laude Jarman, Jr., the 12-year-

old Tennessee boy who's such a sensation in "The Yearling." Margaret's pretty mother, Gladys, told us they expect to leave March 15 and will be in England from six to eight months.

Dennis Morgan, who's been kept as busy as a bee at Warners for the past eight months, is oiling up his shooting irons now that his latest, "My Wild Irish Rose" is almost complete.

Dennis leaves right after Jan. 1 for a hunting trip to Mexico.

As soon as he gets finished playing Betty Grable's leading man in "Mother Wore Tights," Lanky Dan Dailey has been promised the fanciest piece in his screen wardrobe—silk lounging pajamas. "They certainly make a man look spiffy," Dan said.

According to Representative Doughton of the House of Representatives of Congress, in the fiscal year 1945 more than 90 cents of every dollar spent by the Federal government went to meet the direct costs of the war.

Donald Hawk Meets Brother In Korea

Pvt. Donald Hawk of 311 Sycamore street who recently arrived in Korea, had the privilege of meeting his brother, Cpl. Norman Hawk there, while the latter was preparing to embark for the states and final discharge from the army. The two boys were able to spend a couple of hours together before Nor-

man boarded his ship. Donald has served four months with the army, while Norman has completed 18 months. Another brother, Raymond Paul Hawk, Jr., has just completed his basic training in the Marines at Parris Island, S. C., and anticipates a Christmas furlough with his family in New Castle.

All three are the sons of Mrs. Raymond Hawk, 311 Sycamore street. Try The News Want Ads For Results

Congregationalists Program For Friday

For Friday evening at 7:30 o'clock in the First Congregational church a fine program has been prepared for the children of the Sunday school. Christmas gifts will be presented to the children; games and amusements will be enjoyed. The following committee headed

by Miss Louise Mann, superintendent, will be in charge: Mrs. Carl Turner, Mrs. Ruth Matthews, Mrs. P. C. McKinley and Mrs. Mary E. Jones.

FRESHMEN WOMEN SELECT MEMBERS ON SCHOOL SENATE

NEW WILMINGTON, Dec. 19.—Freshman women have elected Judy Wilkinson of Euclid O., and Emma Klien of Braeburn, Pa., to repre-

sent them on Senate, women's governing body at Westminster. The newly elected representatives complete this governing body of 10 women: three seniors, three juniors, two sophomores and two freshmen. The junior women automatically remain in the organization the following year. New representatives are elected from the other classes.

War Crimes Trial Hears Of Tortures Inflicted By Japs

TOKYO, Dec. 19.—(INS)—The story of tortures heaped upon American survivors of the Bataan death march after they were shipped to Formosa was related today at the Tokyo war crimes trial of 27 Japanese war leaders.

A British prosecutor told the international tribunal that the Americans were transported in 1944 from Manila to Formosa aboard transports still filthy from horse cargoes.

An affidavit submitted by an American survivor said that 600 men were crammed into the hold of one of the ships, forcing 400 of them to stand while 200 slept. Fed the equivalent of six soda crackers daily, the miserable men in the holds lost weight rapidly and an average of 25 died daily on the 20-day voyage.

When they landed at Formosa, they were stripped of clothing and given a medical examination outdoors before the Formosan populace. British prosecutors also told the tribunal that a Japanese prison ship crew battered the hatches over more than 1,800 British prisoners after the ship was torpedoed. The crew abandoned the ship and left the prisoners to sink with the vessel.

THREE-WAY RADIO TO BE ATTEMPTED BY STATE POLICE

HARRISBURG, Dec. 19.—(INS)—State police will inaugurate a three-way radio system officially today in a brief ceremony at the state capital.

Gov. Edward Martin, Police Commissioner C. M. Wilhelm and other state officials will inspect the mobile telephone sets installed in 250 patrol cars and motor to Dauphin Mountain, near Harrisburg to tour a transmitter-receiver station. Seventy-three stations have been erected by the Bell Telephone Company which rents the service to the Commonwealth.

The war developed radio-telephone service permits patrolmen to communicate with home stations and other police cars.

HEAVY SENTENCES GIVEN ROBBERS

PITTSBURGH, Dec. 19.—(INS)—Three Pittsburgh men today began serving heavy prison sentences after pleading guilty in criminal court to charges of looting homes, stores and garages of more than \$10,000 worth of goods and merchandise.

Judge Samuel A. Weiss sentenced Raymond Krobert, 26, to four to eight years in Western Penitentiary, Robert Paschel, 24, two to four years in Western Penitentiary, and Harry M. Mullenex, 30, 23 months in the workhouse.

Norbert Drishler, 19, an alleged accomplice on several robberies, was sentenced to Camp Hill Reformatory.

Will Parcel Out Irrigated Farms To War Veterans

KLAMATH FALLS, Ore., Dec. 19.—(INS)—Uncle Sam began giving irrigated homestead farms away on Wednesday to lucky veterans of World War II.

Robert L. Smith, young serviceman from Banks, Ore., with No. 128, won the right to have first choice of 86 farms parcelled out from reclaimed land in the rich Tule Lake area.

Smith's number was drawn from a well churned jar of capsules containing the numbers of 1,305 servicemen who had qualified for the competition. The drawing involves 7,527 acres of land valued at more than two million dollars.

Representatives of Governors Earl Snell of Oregon and Earl Warren of California as well as the bureau of reclamation addressed a large crowd packed into the armory before the drawing started.

Gospel Mission Annual Program

Annual Christmas program by the Sunday school of the Gospel Mission, Dean Block, will be presented on Monday evening, December 23 at 7:45 o'clock, in the Mission. The program will consist of special music, recitations and a two act play, "Inasmuch." The program will be directed by the superintendent, Mabel Weimer, assisted by the teachers of the school.

Plan City Wide Religious Efforts In City In Spring

Friday afternoon at 4 o'clock in the First Baptist church, North at East street, a meeting of ministers and laymen of the city will be held in the interest of a city wide religious campaign to be conducted in the spring of 1947 and will be known as "Christ for Greater New Castle."

Rev. Oliver W. Hurs, has been chosen as chairman of the effort, with invitations having gone out to every Protestant church in the city to have representatives at the meeting. Dr. H. M. Pierce of Santa Barbara, Calif., representative of the National Association of Evangelists, will be present at the gathering to give instruction on the course to be taken in organizing such a campaign in which all churches of the city will participate.

Alleged Cousin Of Grant Found Dead

PITTSBURGH, Dec. 19.—(INS)—Mrs. Charlotte Mueller, who claimed she was a first cousin of President U. S. Grant, was found dead Wednesday in her apartment in Pittsburgh.

The Allegheny county coroner's office reported death was from natural causes. She was believed to be 86 years old.

Mrs. Thelma Angelo, a neighbor, who found the body, said Mrs. Mueller had shown her faded newspaper clippings of her kinship with the late Civil War general and president.

EDENBURG

Mrs. Priscilla Stanley, who has been confined to her home for several months after receiving injuries in a fall, entertained on Monday evening in honor of Mr. and Mrs. Frank Hofmeister, who left Tuesday to spend the winter at Tarpon Springs, Fla. Mrs. Stanley was assisted by Louise Stanley, Sarah McIntosh and Laura Coates. Mr. and Mrs. Hofmeister visited their son, Russell, in Pittsburgh before departing for Florida. Mr. and Mrs. Thomas Murry, a recent bride and groom, have moved into the Hofmeister home for the winter.

Pope To Broadcast Christmas Message

ROME, Dec. 19.—(INS)—Pope Pius XII will broadcast his annual Christmas message on Tuesday, Dec. 24, at 5 a.m. EST. A Vatican spokesman indicated that the papal message will be "of world importance."

It is believed that the speech will include appeals for peace, world disarmament and that it will reiterate the universality of the church. It may include a reference to the trial of Archbishop Alois Stepinac in Yugoslavia.

The speech will be broadcast throughout the world over the Vatican radio on 31.6 meters (9660 kilocycles) and 19.87 meters (15,093 kilocycles).

The sky tends to become darker in the stratosphere, and stars can readily be seen in the day time.

Governor Scouts Gas Tax Boost

HARRISBURG, Dec. 19.—(INS)—A five cents a gallon state gasoline tax was scouted today by Gov. Edward Martin as a source of revenue to finance a \$700,000,000 "inflated" highway improvement program originally expected to cost \$516,000,000. A four cents a gallon levy currently nets the state \$72,000,000 a year.

while the additional penny would add another \$18,000,000 annually, he said.

Twenty-five million dollars would be allocated Pennsylvania for the improvements, the governor asserted.

The governor, who retires from office January 21, did not indicate he would recommend the boost to the General Assembly next month.

Tin Can Legend Backfires On Goat

CHARDON, O., Dec. 19.—(INS)—Goats can or cannot swallow cans, but when can a can swallow a goat? Mrs. James Fowler of Chardon came up with the answer to this one today.

It seems that while it was browsing around in the backyard the other day, the pet goat of Mrs. Fowler stuck its head into a large can. Its horns caught on the rim of the can and the goat was literally canned.

The distraught goat tore away from the Fowler premises and disappeared for two days. When finally located, its head was still securely caught inside the can.

The Fowler released the animal from its tin prison.

Here's one goat that probably will give a wide berth to cans hereafter," observed Mrs. Fowler.

Completes Thirty Years With Bell Co.

Fred M. Alexander Of Park Avenue Rounds Out Long Term Of Service Wednesday

FRED M. ALEXANDER

Completion of thirty years in the telephone industry was observed Wednesday by Fred McKinley Alexander, of 323 Park Avenue, district chief clerk of the Bell Telephone Company of Pennsylvania.

A native of New Castle and graduate of New Castle High School, Mr. Alexander started with the Bell Company as a timekeeper here in December, 1916. He was promoted to clerk in 1917 and to district chief clerk in 1920. Transferred to Pittsburgh as division chief clerk in 1927, he returned here as district chief clerk in 1935.

Mr. Alexander, a veteran of the First World War, is a member of the American Legion, the Masons and the Telephone Pioneers of America. He is married and has three children, Mrs. J. D. Fletcher, of Cleveland, Joan and Jerry.

Japanese Will Be Repatriated From Soviet Areas

TOKYO, Dec. 19.—(INS)—An agreement to repatriate 50,000 Japanese monthly from Soviet-held areas of Asia was signed today by Russian representatives in Tokyo and General MacArthur's headquarters.

The repatriates, most of them prisoners of war, will come from areas of Manchuria, North Korea, Siberia and Sakhalin Islands.

Allied ships will transport the same vessels to carry Korean nationals from Japan to their homes in the Soviet zone of North Korea.

American G.I.'s To Play Santa

WASHINGTON, Dec. 19.—(INS)—American G.I.'s will play Santa Claus to German children this Christmas.

The War department special services division said today that troops are authorized to take time out from training to help German youths make toys.

These playthings are to be given to German tots and teen-agers at special parties in 68 United States Army service clubs in Germany and three in Austria.

Dependents of military personnel were invited to help in special services Christmas projects, making toys and decorations and gift wrapping.

WAC units are participating, concentrating particularly on gifts for the smaller children.

COMMUTATION OF SENTENCE GIVEN

Among the commutation of sentences handed down by the Pennsylvania Pardons board in Harrisburg Wednesday, December 16, according to an INS News despatch, was that of Clarence C. McKibben, former city treasurer of New Castle, who was sentenced in October 1943 to serve 4 1/2 to 9 years for embezzlement.

PITTSBURGH FIRE ROUTES 20 FAMILIES

PITTSBURGH, Dec. 19.—(INS)—Thirty persons were homeless today following a five-alarm fire which routed 20 families from their homes in Pittsburgh's hill district.

Police said the fire broke out in a stable and quickly spread to four adjoining apartment buildings. An estimated \$15,000 damage was caused to the buildings before the blaze was brought under control, police said. Cause of the blaze was not determined.

Reveal Reasons For Auto Deaths During Nighttime

Inability To See Hazards Clearly
At Night Blamed For Traffic
Death Toll

CLEVELAND, O., Dec. 19.—Traffic deaths in daylight have been curbed by intensive safety campaigns but fatalities at night continue to mount. Deaths after dark are now two to three times those of daylight. In heavy traffic areas, they are six to one over daytime.

Ordinary daytime safety precautions are ineffectual at night because they assume that motorists and pedestrians can see adequately. On the contrary, vision after dark is so impaired that fatal hazards are seen too late or not at all.

Changed visibility is the one radical and unrecognized difference between day and night traffic. Night hazards are the same as daylight. Obscured by darkness, every daytime hazard becomes much more deadly. There is less time for life-saving reflexes.

Ordered Off Posts

Realizing this hazardous factor in night traffic, a Connecticut police chief has ordered traffic policemen off their posts after dark at dangerous traffic intersections. He declares he can "no longer assume the responsibility for the safety of men under his command by placing them in hazardous occupations".

Although the importance of visibility was recognized in recommendations of the president's highway safety conference and by state conferences called by governors, the fact still remains that little or no consideration is given to this menace in local traffic safety drives.

The mounting toll of traffic deaths, injuries and property damage will continue unchecked, until the basic difference between day and night traffic conditions is fully appreciated and provisions are made to assure adequate visibility after dark.

TWO MILLION TREES

HARRISBURG, (INS)—The growing of Christmas trees is getting to be a big business in Pennsylvania. Secretary of Forests and Waters James A. Kell has reported that approximately one-half of the estimated two million trees expected to be sold in Pennsylvania this yuletide season will be home grown.

Message of Love (Christmas Lesson)

Highlights On The Sunday School Lesson

The angels and the shepherds.
"Glory to God in the highest."—Luke 2:14.

By NEWMAN CAMPBELL
The International Uniform Lesson on the above topic for December 22 is Luke 2:8-20; John 3:16; 1 Corinthians 13; Ephesians 3:14-21; the Memory Verse being Luke 2:14, "Glory to God in the highest."

This lesson can best be introduced by quoting from the lovely story St. Luke tells us about the birth of Jesus. It is a story we tell or read over and over each Christmas. It is old, but ever new and thrilling.

"And there were in the same country shepherds abiding in the field, keeping watch over their flock by night."

"And lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them; and they were sore afraid."

"And the angel said unto them, Fear not: for behold, I bring you good tidings of great joy, which shall be to all people."

"For unto you is born this day in the city of David a Savior, which is Christ the Lord."

"And this shall be a sign unto you: Ye shall find the babe wrapped in swaddling clothes, lying in a manger."

"And suddenly there was with the angel a multitude of the heavenly host praising God, and saying,

"Glory to God in the highest, and on earth peace, good will toward men."

"And it came to pass, as the angels were gone away from them into heaven, the shepherds said one to

another, Let us now go even unto Bethlehem, and see this thing which is come to pass, which the Lord hath made known unto us."

"And they came with haste, and found Mary and Joseph, and the Babe lying in a manger."

"And when they had seen it, they made known abroad the saying which was told them concerning this Child."

"And all they that heard it wondered at those things which were told them by the shepherds."

"But Mary kept all these things and pondered them in her heart."

"And the shepherds returned, glorifying and praising God for all the things that they had heard and seen, as it was told unto them."

"At this time of the year we should think of all the happy things that have come to the world in the coming of the Christ Child. Even the most sincere and earnest Christians, followers of Christ, are far from perfect, and the world is in a period of unrest, uncertainty and suffering."

But the spirit of Jesus, born at Bethlehem so long ago, is still at work making the world a better place, and giving everyone hope that His gospel will eventually prevail in spite of everything, and bring on earth peace good will toward men."

Message of Love

Christ's message was one of love, and at this Christmas season, love and good will is always in evidence, even hard hearts softening. "God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life."

We also have Paul's great sermon on love in our lesson, in his first epistle to the Corinthians. "Though I speak with the tongues of men and of angels, and have not love, I am become as sounding brass, or a tinkling cymbal."

"Love suffereth long, and is kind; love envieth not; love vaunteth not itself, is not puffed up."

"Doth not behave itself unseemly, seeketh not her own, is not easily provoked, thinketh no evil."

"Rejoiceth not in iniquity, but rejoiceth in the truth."

"Beareth all things, believeth all things, hopeth all things, endureth all things."

"Love never faileth; but whether there be prophecies, they shall fail; whether there be tongues, they shall cease; whether there be knowledge, it shall vanish away."

"And now abideth faith, hope, charity (or love), these three; but the greatest of these is love."

Christ, in His life on earth, loved people. He was tender with the sorrowing, the afflicted, the sinners. To the woman who had sinned He said: "Neither do I condemn thee: go, and sin no more."

He was understanding of the rich young man who could not bear to part with his riches to follow the Lord, and He sadly sent him away.

The best Christmas wish that can be given anyone is "That Christ," whose birthday we celebrate, "may dwell in your heart by faith"; that we be "rooted and grounded in love."

"Glory to God in the highest!" this Christmas season.

MADE DIRECTOR

HARRISBURG, Dec. 19.—(INS)—Leroy V. Greene of Camp Hill, press secretary for Gov. Governor Arthur H. Jones, today had an appointment from the department of public instruction as publicity director at \$5880 a year.

Adams' attractive wife, Laurena, appealed to the four-member board to pardon her husband who has been slated to be deported by the federal government.

Assistant County District Attorney Ralph T. Bell vigorously opposed the plea.

Mrs. Adams said her husband desired a pardon to become a U. S. citizen. Bell claimed Adams had ample opportunity to obtain citizenship because he had lived in America for eight years prior to being convicted of blackmail in May, 1942.

Adams was ordered to pay a \$500 fine and serve four to eight years in the Allegheny county workhouse.

Gov. Edward Martin commuted Adams' sentence November 10, 1944, and he was released on parole.

THE STATE PAROLES BOARD WAS ASKED ON Wednesday to help prevent the deportation to Germany of William Johann Adams, 43, formerly of Pittsburgh, convicted of operating a so-called Nazi bond racket.

Westminster Quintet Battles Juniata At Home Floor Tonight

Titans Seeking Fifth Victory, Indians Tough

Coach Washabaugh Gives Titans Drill Wednesday, Wagner May Grab Starting Berth

PRELIMINARY GAME STARTS AT 7 P. M.

(Special to The News)
NEW WILMINGTON, Dec. 19.—A Westminster college cage team which is slowly rounding into shape after a wearying trip to New York and several cases of ptomaine poisoning, will take to the court for the second time this week tonight when Juniata is met on the home court. The game will start at 7:15.

Coach Grover Washabaugh had all his regulars with the exception of Nelson, a guard, in uniform Wednesday night. He gave them only a light drill.

At Tainted Food

McLhinney, Jones, Wagner and Paine and others still have traces of ptomaine poisoning which they apparently picked up at a roadside restaurant en route home from New York City Sunday. Nelson is out with a bone broken in his right hand.

Although the Titans have a long undefeated record at home, Juniata is expected to give the Washabaugh boys plenty of trouble. Four of the starters stand six feet or better.

Juniata has won one and lost one to date—defeating Bethany Biblical college (Chicago) 82-72, and losing by one point, 39 to 38, to Gettysburg college.

Starting Line-Up
Starting for the visitors will be Ray Clapperton, Merkes, Rocks, and Kenneth Grote, Latrobe, forwards; Blair Miller, Huntington, center; Robert Norris, Huntington, and Floyd Eisenhart, Perkis, guards.

Westminster will start McLhinney and Heddleston at forwards; Dembinski, center; Paine and Jones, guards, with Wagner a possibility at guard.

Six Eps meet the Junior Varsity in the prelim at seven.

Glenn Woodward Davis, Army's heralded all-American halfback, curbed rampant speculation as to his athletic activity this winter when he chose indoor track in lieu of the basketball court.

Forest Gridders Receive Jackets

Football Players Given Fine Banquet and Hear Speeches Wednesday

Climaxing a successful football season the Forest A. C. football team had a fine banquet last night at the club-rooms prepared by Mrs. Magno and served by Mrs. Jacobs and Mrs. Calern. Speeches were made by Coach DeMarco and Angelo Calern, just returned from Florida.

Jackets were given to the following gridders—Curry, Welsh, Tempy, DeMarco, Padula, Vascetti, Magno, Querriera, Germani, DeLuca, the Bertucci brothers, Call, Audino, Williams and Cennamo. The Forest A. C. is looking forward to another great year on the gridiron, in 1947.

Browns Favored To Defeat Yanks

CLEVELAND, Dec. 19.—(INS)—Barring extreme weather, a crowd of more than 60,000 is expected Sunday at Waterfront Park to watch the Cleveland Browns attempt to make it three straight over the New York Yankees, with the All-American Pro Football Conference title at stake.

The Browns caught the Yankees short of full strength twice during the past season to score two wins during a campaign which saw the Yankees win 10, lose three and tie one. The Browns dropped only two of their 14 starts.

As the teams prepared to line up against each other in the new circuit's first title engagement, the odds were 3 to 2 against the Yankees, who will hold a slight edge defensively but give away much the best of it on offense.

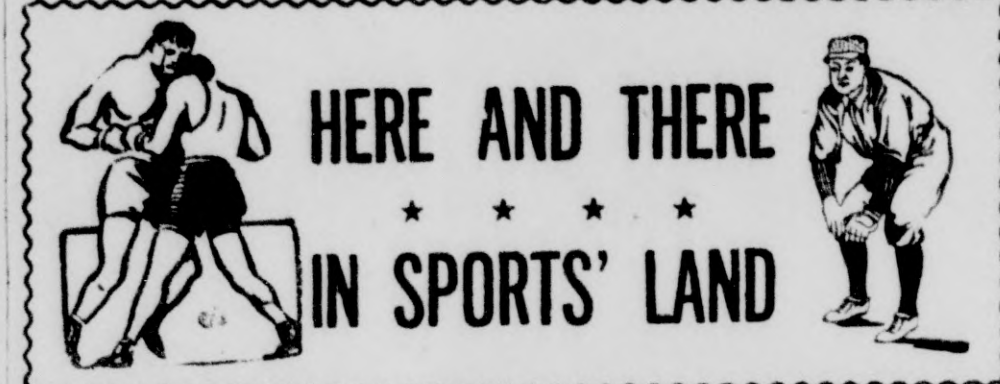

Pulaskis Meet Boosters Team

K. Pulaski "Big Five" cage outfit will be out to register their fifth straight victory tonight when they meet the East Brook Boosters at 8 p. m. at the K. P. hall.

Added to the K. P. lineup has been Billy Andrews, former Bainbridge Navy star.

The prelim will pair the K. P. against the Croton A. C. quint.

Sunday the K. P.'s will tangle with the strong Farrell street Adalberts.

THERE arrived today a letter from a young man who played high school college and professional football. At New Castle he played for Phil Bredenbaugh. He defends Bredenbaugh's ability as a coach and claims that Phil got as much out of his 1946 team as there was to get. He writes that "a team cannot be taught more than it can absorb; that is, taught so that the results will be good." He enclosed a story written by Whitney Martin, United Press sports writer, and the local ex-grider says "this goes for me, too." While it is not the policy of Here & There to publish letters without printing a signature he believes the rule can be bent in this instance. He is acquainted with the young man and knows the letter is no bluff. The letter says that upon his return from military service he heard criticism of "Good Old Breden." He says that while in line to purchase tickets, critics were plentiful, but says "I always took it upon myself to defend Bredenbaugh. From where I sat at games it seemed clear to me after watching both games and practice scrimmages that he consistently got as much out of his 1946 team as there was to get." He then referred to the Whitney Martin story, which will be found in brief further in this column. "Before Bredenbaugh retires, I should like to see you sponsor a get-together or banquet of all of Bredenbaugh's players since his arrival here in 1922. Bredenbaugh taught us a lot of football and a lot of sense, whether we were entirely conscious of it at the time or not. I, for one, have a real affection for the 'fox'."

Martin wrote that "Aside from the fact that 'Mr. Inside' can go outside and 'Mr. Outside' can go inside, thus making each a double threat, we sometimes wonder a little just why army is so much more effective offensively than other teams that have speed boys in addition to a fine plunging back. Given speed around the ends and a threat through to a fine plunging back, the offensive strategy is simple. If the defensive line spreads out to stop the sweeps and off-tackle drives, put the plunger to work. If the line is condensed to stop the plunger, send the swiftness around end. But Army works this system so much more effectively than other teams, it brings speculation as to just why, admitting that Blanchard and Davis are both exceptionally fast and capable, get tremendous blocking and that Army's execution of plays leaves little to be desired." Martin said he watched Army for years and says "coming right down to it, most of their ground-gaining routine is comparatively simple. Yet the Cadets pull the same plays game after game, and with the exception of the recent Notre Dame game when both teams had 'brick walls'. By simple, Martin explains, he means there is not too much hocus-pocus involved. They are plays that other teams having the 'T' have, so they can't catch the opposition by surprise. He then recalls seeing one of their plays executed 25 years ago. Apparently it isn't so much that Army has a choice assortment of tricks. It's simply the fact that they take the tricks which are familiar to all teams and perform them just a little more expertly. We have come to the conclusion," Martin writes "that it isn't what plays a football team uses, but the way they use them that makes for success or failure. Army and Notre Dame, for that matter know how to use them."

ST. PAULS KEEP ON WINNING IN CHURCH LEAGUE

Defeat Third U. P. 55 To 48 In Thriller, First U. P. And Trinity Also Win

The star-studded St. Paul's Lutheran church basketball team continued its New Castle Church league last night at the "Y" by triumphing the strong Third U. P. team, 55 to 48, in a thriller, H. Binder, Miller and J. Binder starring.

The First U. P. team upset the Central Christians, 41 to 32, with Bob Jackson and Spears in starring roles, and in the other game on the bill the Trinity team surprised the First Baptists by winning, 34 to 21, with Copson in the limelight.

The only two undefeated teams in the league are Second U. P. and St. Paul's and a hot battle between these two will take place Monday, December 23.

New Wilmington Legion Victors

New Wilmington Legion Will Battle Ellwood At Home In League Saturday

New Wilmington Legion basketball team paced by Green and Ken Cathcart defeated the Milton A. C. House floor in New Wilmington last night, 44 to 29. Jacobs was best in the Milton lineup.

New Wilmington will play a league game at home Saturday night meeting the Ellwood Legion at 8 o'clock. It was announced by Jimmy Pearson, manager. New Wilmington opened the league with a win over Wampum.

Sacred Hearts At Darlington Floor

Sacred Heart basketball, coached by the veteran Nick Genock will travel to Darlington tonight to tangle with the strong Darlington quintet. The tip off is slated for 8 o'clock.

Saturday, December 21, the Sacred Hearts will meet the highly talented Ellwood Sons of Italy at George Washington gym at 7:15 and on Monday, December 23, they will travel to Mount Jackson to take on the Bessemer Legion "Big Five" in a benefit game starting at 8:00. It was announced today.

Bill Jeffrey, veteran Penn State coach, rates the 1946 Temple soccer team the best in the east.

Federal Agents Probe Pro Bribe

Internal Revenue Agents Interested In Alvin J. Paris And Associates

NEW YORK, Dec. 19.—(INS)—Federal agents today stepped into the investigation of the attempt to "fix" the championship football game between the New York Giants and the Chicago Bears.

Agents of the bureau of internal revenue were reported probing the New Jersey betting ring for which Alvin J. Paris is alleged to have been "front man."

Meanwhile, Jerome Zapowitz, 28, described by police as a gambler, was held in the Tombs prison in default of \$10,000 bail as the newest figure to appear in the investigation.

Seek Two Others

Zapowitz was identified by police as one of the men Paris had talked to on the telephone regarding football and other bets. Police had tapped Paris' telephone lines. The cops still hope to question two other men who talked over Paris' tapper line.

Zapowitz made no statement to police and was held as a material witness.

Earlier yesterday Paris, who is under indictment on charges of attempting to bribe two Giant backfield stars with \$3,500 each to "throw" the game to the Bears, was held in the Tombs and denied bail.

COLUMBUS CLUB CHALLENGED

The Sacred Hearts basketball team through Coach Nick Genock has issued a challenge to the Christopher Columbus club first team for a basketball battle, retaining the recent announcement that they had beaten the Mahoningtown stars.

Mahoning Trips Shenango, 34-26

Calhoun Gets 17 Points As 'Little Wildcats' Are Defeated Wednesday

Mahoning's cagers invaded Shenango's floor Wednesday afternoon and handed the "Little Wildcats" a 34-26 lacing with C. Calhoun in a starring role.

The Mahoning forward dumped in seven fielders and three foul shots for 17 points, exactly half his team's total.

The Mahoning quint will not play again until January 3 when they meet the Beaver Falls juniors at the Mahoning gym.

Joey Bratton Is Ascending Ladder

CHICAGO, Dec. 19.—(INS)—The attention of boxing fans was attracted by another member of the Bratton family today.

The newcomer is Joey Bratton, 16-year-old younger brother of Johnny Bratton, Chicago's contender for the world lightweight title.

Joey won the open flyweight (112-pound) championship Tuesday night in the finals of the 14th annual Savoy Athletic club boxing tournament in the Savoy Arena.

Young Bratton, a Phillips high school student, hammered out three-round decision over Lloyd Armor in one of the best bouts on the program.

New Castle To Battle Arnold

"Whiz Kids" Seek Fourth Victory Friday At New Kensington Floor

Having regained their breath after that thriller-diller at Butler Tuesday evening, the New Castle High "Whiz Kids" basketball team will go after its fourth win of the year at New Kensington High floor Friday night, when they are billed to battle the Arnold High quintet.

Coach Bill Douglass gave the squad a light workout Wednesday and again today and pronounced them ready for the New Kensington jaunt. Douglass will start his usual "Whiz Kids" Black, Janacone, Res, Waters and Cialella Friday, he intimated.

Plan Two-Day Trip

Arnold has been beaten by Ford City, 38 to 31, and defeated Vandergrift 29 to 27 in pre-league starts. New Castle has dumped Butler, Westinghouse and Avalon and lost to Youngstown. East so far, New Castle will be idle after playing Arnold until Friday, December 27, when they play at Johnstown and then Altoona December 28 in a two-day trip. Ambridge High will be the next home game January 3, a Section Three opener.

Sportsmen To Meet Friday

Lawrence County Sportsman's council will meet at 8 p. m. Friday in the "Y" to hear Elmer Brown, delegate, report the action of the Northwest Division, Pennsylvania Federation of Sportsman, which occurred Sunday at Sharon. Members of all clubs affiliated with the council are expected to be present, according to George Bollinger, secretary.

County Cagers Resume Friday

Eight County Fives In Action; Ellwood Invades Union For Exhibition Battle

County basketball continues to zip along at a fast pace as district quintets draw nearer their league schedules.

Friday's card has eight of the county teams in action, with Shepango, New Castle, Mt. Jackson and New Wilmington seeking battles on foreign courts.

The Wildcats go to Freedom for a return scrap with the Freedom "Oilers". In the first pairing the valley school dumped the Nahans men, 31-26.

The lone tilt tonight will see Mars of Section 1 at the Bessemer floor. The Cementers have been a tough-luck team thus far, dropping close games, and hope to turn back the Butler county quint.

New Castle At Arnold
New Castle's promising young quintet, with three wins in a row, including a half-raising triumph over Butler Tuesday night, will invade the New Kensington gym to meet the strong Arnold high machine.

This attraction promises to be a stern test for the "Whiz Kids" but the local five is eager and confident and will try to make it No. 4. Arnold clipped Vandergrift, 28-27, Tuesday night.

Mt. Jackson will go to Fairfield township in Ohio for their battle, having previously met the same team and won, 79-21. New Wilmington, getting into winning stride after a slow start, will go to Stoneboro for a game, having lost at 30-23 decision to the Mercer countians earlier.

Ellwood At Union
Ellwood City, winners of four out of their five contests, will try to keep going against a potentially dangerous Union high outfit at the "Scotties" gym.

Plaingrove takes time off from its North Butler county competition to play East Brook in a return pairing at the East Brook floor.

Fred Price, lanky freshman forward on the Villanova court squad, played with the strong Fleet City, Calif. Navy team last season. His mates included Mickey McGuire, current ace with St. John's University, Brooklyn.

Adam Walsh thinks his veteran end, Jim Benton, is such an exceptional pass receiver because of a pair of eyes which allow him to follow the flight of the ball right into his hands.

Dobbs And Graham Leading Passers

Passing Championship Race Ends In Deadlock Between Pro Grid Stars

NEW YORK, Dec. 19.—(INS)—The All-America Conference passing championship race waged all season by Otto Graham of Cleveland's Western Division champions, and Glenn Dobbs, of Brooklyn, wound up in a deadlock.

Official figures released today reveal that Graham was first in efficiency with 54.6 per cent completions and 2 per cent interceptions for a net of 51.7.

Dobbs led in completions with 135 and in yards with 1,886, but was fifth in efficiency. Graham led in touchdown tosses with 17, followed by Bob Hoernschemeyer, of Chicago, 14, and Dobbs and Frankie Albert, of San Francisco, tied with 13 each.

Dobbs established himself as close to the best all around back in the conference. He previously had clinched total offense and punting honors.

Billy Evans Talks To His New Boss

DETROIT, Dec. 19.—(INS)—Billy Evans arrived in Detroit Wednesday and immediately arranged a conference with his new boss, Walter O. Briggs, owner of the Detroit Tigers.

The 61-year-old Evans was named executive vice president of the Detroit baseball club two days ago. He succeeds George M. Trautman, who resigned to head the National Association of Professional Baseball Leagues.

Scoring leader of the Lancaster, Pa., professional basketball team is Whitey VonNeida, former Penn State star.

Juniata Ready For Westminster

Coach Mike Snider Has Indians Hopped Up For Battle At New Wilmington Tonight

(Special To The News)
HUNTINGDON, Dec. 19.—Stressing offensive play, Head Coach Mike Snider began sifting possibilities today to mold a fast, aggressive starting lineup for Juniata college's tilt with Westminster at New Wilmington Thursday night.

The Indians lost a close game to Gettysburg, 39-38, in the opener last Saturday, then upset Bethany Biblical Seminary of Chicago, 32-72, Monday night.

Stresses Shooting
"You must shoot at every opportunity," Snider told his varsity squad in scrimmage yesterday. He took the emphasis off defense in drills last week by directing his men to "score, score, score!"

Competing for the forward slots for the Westminster game are Capt. Ray Clapperton, McKees Rocks; Ken Grote, Latrobe, and Bob Querry, Indiana, all former lettermen, plus two newcomers in Andy Christos, Hammonton, N. J., and Cassel Coffman, LaVerne, Calif.

Blair Miller, Huntingdon lad, is battling for the center post with a pair of holdovers, Jerry Rupert of Saltillo, who saw action on the 1944-45 club, and Jack Walters, Altoona, who was a member of last year's team.

Floyd "Fuzz" Eisenhart, member of the 1943-44 quintet from Perkasia, Pa., and Bob Norris, another Huntingdon High graduate, hold the edge

for guard spots on several newcomers, including George Smith, Huntingdon; Bob Jamison, Avonmore; Bob Holsinger, Martinsburg, and Bill Wilson, Johnstown.

The temporary loss of Jim Ritchey, promising freshman guard who was pushing hard for a starting assignment, may handicap the Juniata cagers. The Emsworth, Pa., athlete, who was a regular end on the football team, suffered torn ligaments in left leg during a practice scrimmage.

Halfback Roméo Capriotti, Villanova College sophomore star, has been named on the All-Catholic All-American team for the second successive season.

Guard George Pavalko was named on more honorary teams than any other member of the Villanova football squad. He was picked on five teams including the All-Pennsylvania eleven.

British Probe Reveals Franco Has Strong Hold

LONDON, Dec. 19.—(INS)—An authoritative government source revealed today that Britain conducted an investigation inside Spain in recent months to determine the possibilities of a new group arising to form an alternative government to that of General Franco.

The informant said the British government became convinced that there is no such likelihood and any chance of ousting Franco has been worsened as a result of recent foreign denunciation of El Caudillo.

This had the further effect, he said, of uniting Franco's supporters and rallying to his cause lukewarm members of the Spanish Flanque.

The spokesman said the British investigation is continuing inside Spain.

British Government Seeking To Cushion Meat Disappointment

LONDON, Dec. 19.—(INS)—The British government initiated steps today to cushion the yuletide disappointment of meat-hungry citizens who will not receive a gift of meat from Argentina in time for Christmas.

The government is making special arrangements to chop the weekly butcher bills of housewives upon receipt of the good-will cargo from the Argentine.

While the bonus of meat won't be available for the holiday dinner, the weekly butcher's tab for every purchaser will be reduced nine cents beginning January 12. The government will reimburse the meat dealers for the bonus later.

Five Studio Pickets Will Get Sentences

HOLLYWOOD, Dec. 19.—(INS)—Five defendants in Hollywood's mass studio picket trial will appear for sentence today.

The five switched to pleas of guilty after Municipal Judge Ellsworth Meyer refused to permit defendants to be absent during the empaneling of the jury.

They are Ralph W. Peckham, Harry M. Moore, Elroy Jensen, Rene M. Dierkens and Russell V. Angione. They face a maximum penalty of \$500 or six months in jail.

All but Angione were among 29 of 208 defendants who are defending themselves in the case.

A similar mass trial of 125 pickets starts today at Embassy auditorium.
